Your Medicare and Turquoise Care Plan and Drug Coverage under UHC Dual Complete NM-Y1 (PPO D-SNP)

Thank you for choosing UnitedHealthcare Community Plan. UnitedHealthcare Community Plan operates the Turquoise Care Plan Program. UHC Dual Complete NM-Y1 (PPO D-SNP) program provides both Medicaid and Medicare covered benefits.

- **Medicare** is the Federal health insurance program for people 65 years of age or older, some people under age 65 with certain disabilities, and people with end-stage renal disease (kidney failure).
- **Medicaid** is a joint Federal and State government program that helps with medical costs for certain people with limited incomes and resources. Some people with Medicaid get help paying for their Medicare premiums and other costs. Other people also get coverage for additional services and drugs that are not covered by Medicare.

You have chosen to get your Medicare and Medicaid health care and your prescription drug coverage through our plan. We are required to cover all Part A and Part B services. However, cost sharing and provider access in this plan differ from Original Medicare.

UnitedHealthcare Community Plan is a specialized Medicare Advantage Plan (a Medicare “Special Needs Plan”), which means its benefits are designed for people with special health care needs.

This plan is designed for people who have Medicare and who are also entitled to assistance from Medicaid.

The UnitedHealthcare Community Plan is a private company. This plan is approved by Medicare.

The plan is also approved by the State to cover your Medicaid benefits. We are pleased to be providing your Medicare and Medicaid health care coverage, including your prescription drug coverage.

UnitedHealthcare Community Plan supports New Mexico's goals of increased access, improved health outcomes and reduced costs by offering Medicaid benefits to the following members under the program:

- **Qualified Medicare Beneficiary Plus (QMB+):** You get Medicaid coverage of Medicare cost-sharing and are also eligible for full Medicaid benefits. Medicaid pays your Medicare Part A and Part B premiums, deductibles, coinsurance, and copayment amounts for Medicare covered services. You pay nothing, except for Part D prescription drug copays (if applicable).
- **Full Benefits Dual Eligible (FBDE):** Medicaid may provide limited assistance with Medicare cost-sharing. Medicaid also provides full Medicaid benefits. You are eligible for full Medicaid benefits. Your cost share is 0% when the service is covered by both Medicare and Medicaid.

A care coordinator is a person trained to help you manage the care you need. You get a care coordinator when you enroll in our plan. Call us at the numbers at the bottom of the page for more information about your care coordinator and care team.

Section G2 Care plan

Your care team works with you to make a care plan. A care plan tells you and your doctors what services you need and how to get them. It includes your medical, behavioral health, and LTSS or other services.

Your care plan includes:

- Your health care goals.
- A timeline for getting the services you need.

Your care team meets with you after your HRA. They ask you about services you need. They also tell you about services you may want to think about getting. Your care plan is created based on your needs and goals. Your care team works with you to update your care plan at least every year.

Some members are required to pay other Medicare premiums. As explained in Section E above, in addition to paying the monthly plan premium, some members are required to pay other Medicare premiums. As explained in Section 2 above, in order to be eligible for our plan, you must maintain your eligibility for Turquoise Care Plan as well as have both Medicare Part A and Medicare Part B. For most members, Turquoise Care Plan pays for your Part A premium (if you don't qualify for it automatically) and for your Part B premium.

If Medicaid is not paying your Medicare premiums for you, you must continue to pay your Medicare premiums to remain a member of the plan. This includes your premium for Part B. It may also include a premium for Part A which affects members who aren't eligible for premium free Part A.

Section I Your Member Handbook

Your **Member Handbook** is part of our contract with you. This means that we must follow all rules in this document. If you think we've done something that goes against these rules, you may be able to appeal our decision. For information about appeals, refer to **Chapter 9** of your **Member Handbook** or call **1-800-MEDICARE (1-800-633-4227)**.

You can ask for a **Member Handbook** by calling Member Services at the numbers at the bottom of the page. You can also refer to the **Member Handbook** found on our website at the web address at the bottom of the page.

The contract is in effect for the months you are enrolled in our plan between January 1, 2025 and December 31, 2025.

Section J Other important information you get from us

Other important information we provide to you includes your UnitedHealthcare UCard® (your member ID Card), information about how to access a **Provider and Pharmacy Directory** and information about how to access a **List of Covered Drugs**, also known as a Formulary.

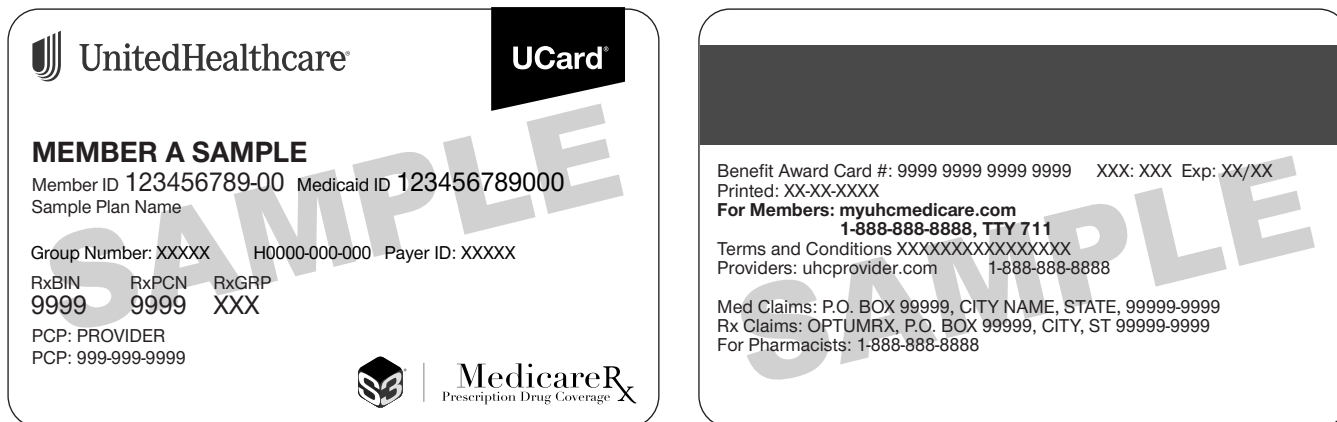

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

Section J1 Your UnitedHealthcare member UCard

While you are a member of our plan, you must use your member ID card whenever you get services covered by this plan and for prescription drugs you get at network pharmacies.

IMPORTANT – If you have Medicare and Turquoise Care, make sure to show your member ID card and your state Medicaid ID card whenever you access services. This will help your provider bill correctly. Here’s a sample UnitedHealthcare UCard® to show you what yours will look like:

If your member UCard is damaged, lost, or stolen, call Member Services at the number at the bottom of the page right away. We will send you a new card.

Do NOT use your red, white, and blue Medicare card for covered medical services while you are a member of this plan. If you use your Medicare card instead of your plan member ID card, you may have to pay the full cost of medical services yourself. Keep your Medicare card in a safe place. You may be asked to show it if you need hospital services, hospice services, or participate in Medicare approved clinical research studies also called clinical trials.

Your member ID can be used to purchase healthy foods, over-the-counter (OTC) items, and to pay your utilities. Benefits, features and/or devices may vary by plan/area. Limitations, exclusions and/or network restrictions may apply. Food, OTC and utility benefits have expiration time frames. Call your plan or review your **Member Handbook** for more information.

Section J2 Provider and Pharmacy Directory

The **Provider and Pharmacy Directory** lists the providers and pharmacies in our plan’s network. While you’re a member of our plan, you must use network providers to get covered services.

You can ask for a **Provider and Pharmacy Directory** by calling Member Services at the numbers at the bottom of the page. You can also refer to the **Provider and Pharmacy Directory** at the web address at the bottom of the page.

? **If you have questions**, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208, TTY 711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

Definition of network providers

- Our network providers include:
 - Doctors, nurses, and other health care professionals that you can use as a member of our plan;
 - Clinics, hospitals, nursing facilities, and other places that provide health services in our plan; **and**
 - LTSS, behavioral health services, home health agencies, durable medical equipment (DME) suppliers, and others who provide goods and services that you get through Medicare or Medicaid.

Network providers agree to accept payment from our plan for covered services as payment in full.

Definition of network pharmacies

- Network pharmacies are pharmacies that agree to fill prescriptions for our plan members. Use the **Provider and Pharmacy Directory** to find the network pharmacy you want to use.
- Except during an emergency, you must fill your prescriptions at one of our network pharmacies if you want our plan to help you pay for them.

Call Member Services at the numbers at the bottom of the page for more information. Both Member Services and our website can give you the most up-to-date information about changes in our network pharmacies and providers.

Section J3 List of Covered Drugs

The plan has a **List of Covered Drugs**. We call it the **Drug List** for short. It tells you which prescription drugs our plan covers.

The **Drug List** also tells you if there are any rules or restrictions on any drugs, such as a limit on the amount you can get. Refer to **Chapter 5** of your **Member Handbook** for more information.

Each year, we send you the “Drug List,” but some changes may occur during the year. To get the most up-to-date information about which drugs are covered, call Member Services or visit our website at the address at the bottom of the page.

Section J4 The Explanation of Benefits

When you use your Medicare Part D prescription drug benefits, we send you a summary to help you understand and keep track of payments for your Medicare Part D prescription drugs. This summary is called the **Explanation of Benefits** (EOB).

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

The EOB tells you the total amount you, or others on your behalf, spent on your Medicare Part D prescription drugs and the total amount we paid for each of your Medicare Part D prescription drugs during the month. This EOB is not a bill. The EOB has more information about the drugs you take. **Chapter 6** of your **Member Handbook** gives more information about the EOB and how it helps you track your drug coverage.

You can also ask for an EOB. To get a copy, contact Member Services at the numbers at the bottom of the page.

Section K Keeping your membership record up to date

You can keep your membership record up to date by telling us when your information changes.

We need this information to make sure that we have your correct information in our records. Our network providers and pharmacies also need correct information about you. **They use your membership record to know what services and drugs you get and how much they cost you.**

Tell us right away about the following:

- Changes to your name, your address, or your phone number.
- Changes to any other health insurance coverage, such as from your employer, your spouse's employer, or your domestic partner's employer, or workers' compensation.
- Any liability claims, such as claims from an automobile accident.

- Changes in your caregiver (or anyone responsible for you).

New Mexico residents can keep their information up to date with Turquoise Care Plan online at <https://www.hsd.state.nm.us/turquoise-care/> or through the NM Human Services Department at **1-800-283-4465**.

Section K1 Privacy of personal health information (PHI)

Information in your membership record may include personal health information (PHI). Federal and state laws require that we keep your PHI private. We protect your PHI. For more details about how we protect your PHI, refer to **Chapter 8** of your **Member Handbook**.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

For people with limited incomes, there are also other programs to assist, as described below.

Section H2 State Pharmaceutical Assistance Program (SPAP)

Many states and the U.S. Virgin Islands offer help paying for prescriptions, drug plan premiums and/or other drug costs. If you are enrolled in a State Pharmaceutical Assistance Program (SPAP), Medicare's Extra Help pays first.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

Section H3 AIDS Drug Assistance Program (ADAP)

The AIDS Drug Assistance Program (ADAP) helps ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Medicare Part D prescription drugs that are also on the ADAP formulary qualify for prescription cost-sharing assistance. Note: To be eligible for the ADAP operating in your State, individuals must meet certain criteria, including proof of State residence and HIV status, low income as defined by the State, and uninsured/under-insured status.

If you change plans please notify your local ADAP enrollment worker so you can continue to receive assistance. For information on eligibility criteria, covered drugs, or how to enroll in the program, please call your state ADAP office listed below.

The Medicare Prescription Payment Plan

The Medicare Prescription Payment Plan is a new payment option that works with your current drug coverage, and it can help you manage your drug costs by spreading them across monthly payments that vary throughout the year (January – December). This payment option might help you manage your expenses, but it doesn't save you money or lower your drug costs. “Extra Help” from Medicare and help from your SPAP and ADAP, for those who qualify, is more advantageous than participation in the Medicare Prescription Payment Plan. All members are eligible to participate in this payment option, regardless of income level, and all Medicare drug plans and Medicare health plans with drug coverage must offer this payment option. Contact us or visit Medicare.gov to find out if this payment option is right for you.

Section A Information about services and providers

Services are health care, long-term services and supports (LTSS), supplies, behavioral health services, prescription and over-the-counter drugs, equipment and other services. **Covered services** are any of these services that our plan pays for. Covered health care, behavioral health, and LTSS are in **Chapter 4** of your **Member Handbook**. Your covered services for prescription and over-the-counter drugs are in **Chapter 5** of your **Member Handbook**.

Providers are doctors, nurses, and other people who give you services and care. Providers also include hospitals, home health agencies, clinics, and other places that give you health care services, behavioral health services, medical equipment, and certain LTSS.

Network providers are providers who work with our plan. These providers agree to accept our payment as full payment. Network providers bill us directly for care they give you. When you use a network provider, you usually pay nothing for covered services.

Section B Rules for getting services our plan covers

Our plan covers all services covered by Medicare and Turquoise Care Plan. This includes behavioral health and LTSS.

Our plan will generally pay for health care services, behavioral health services, and LTSS you get when you follow our rules. To be covered by our plan:

- The care you get must be a **plan benefit**. This means we include it in our Medical Benefits Chart in **Chapter 4** of your **Member Handbook**.
- The care must be **medically necessary**. Medically necessary care is care that is given in the right amount and place for health needs, per professional standards and national guidelines, and for health needs and not primarily for the convenience of the member, provider, or UnitedHealthcare Community Plan.
- For medical services, you must have a network **primary care provider (PCP)** who orders the care or tells you to use another doctor. As a plan member, you must choose a network provider to be your PCP.
 - In most cases, our plan must give you approval before you can use a provider that is not your PCP or use other providers in our plan's network. This is called a **referral**. If you don't get approval, we may not cover the services. To learn more about referrals, refer to page 271.
 - You do not need a referral from your PCP for emergency care or urgently needed care or to use a woman's health provider. You can get other kinds of care without having a referral from your PCP (for more information, refer to section D1 in this chapter).

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

- **You must get your care from network providers.** Usually, we won't cover care from a provider who doesn't work with our health plan. This means that you will have to pay the provider in full for the services provided. Here are some cases when this rule does not apply:
 - We cover emergency or urgently needed care from an out-of-network provider (for more information, refer to **Section H** in this chapter).
 - If you need care that our plan covers and our network providers can't give it to you, you can get care from an out-of-network provider. You must get approval from us before you start receiving care from an out-of-network provider. Contact your care navigator by calling Member Services at toll-free **1-866-393-0208**. In this situation, we cover the care as if you got it from a network provider.
 - We cover kidney dialysis services when you're outside our plan's service area for a short time or when your provider is temporarily unavailable or not accessible. You can get these services at a Medicare-certified dialysis facility. The cost-sharing you pay for dialysis can never exceed the cost-sharing in Original Medicare. If you are outside the plan's service area and obtain the dialysis from a provider that is outside the plan's network, your cost-sharing cannot exceed the cost-sharing you pay in-network. However, if your usual in-network provider for dialysis is temporarily unavailable and you choose to obtain services inside the service area from an out-of-network provider the cost-sharing for the dialysis may be higher.
 - You can go to a family planning provider of your choice even if they are out-of-network. No prior authorization is required.
 - We cover post-stabilization services if you have an emergency medical condition, regardless of whether the provider is in or out of the network.

Section C Your care coordinator

Care coordinators are people to help you (the member) use your benefits to get the care and services you need. This includes helping you get additional benefits through your health plan that you may not have been able to get before joining UHC Dual Complete NM-Y1 (PPO D-SNP). The care coordinator will work with you to make sure your health plan knows what you need and how you want to get your services, and will help you with questions you have about getting care. Your care coordinator can also help connect you with community resources. Working with you and your care team, your care coordinator will help you make an Individualized Care Plan (ICP) that will be updated if your needs and preferences change over time.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

- Support for the members' caregivers, to make them an integral part of the member experience, including answering questions and advocating for care and social support.
- A tailored experience which may include:
 - Coordination of care.
 - Resolution of claims issues.
 - Support for appeals and grievances.
 - Addressing social support needs (e.g., transportation, housing).
 - Explain available resources and benefits.
 - Assist with Social Determinants of Health (SDOH).
 - Assist with locating providers and with appointment scheduling.

Section D Care from providers

Section D1 Care from a primary care provider (PCP)

Now that you are a member of UHC Dual Complete NM-Y1 (PPO D-SNP), your PCP (Primary Care Provider) will help you and your family to get the health care you need.

Definition of a PCP and what a PCP does do for you

What is a PCP?

A Primary Care Provider (PCP) is a licensed network doctor who is selected by you to provide or coordinate your covered services.

What types of providers may act as a PCP?

PCPs are generally doctors specializing in Internal Medicine, Family Practice or General Practice.

What is the role of my PCP?

Your relationship with your PCP is an important one because your PCP is responsible for the coordination of your health care. Your PCP is also responsible for your routine health care needs. You may want to ask your PCP for assistance in selecting a network specialist and follow-up with your PCP after any specialist visits. It is important for you to develop and maintain a relationship with your PCP.

It is important to call your PCP first when you need care. If you had a PCP before you signed up with UHC Dual Complete NM-Y1 (PPO D-SNP), please call Member Services at **1-866-393-0208**. We can help you stay with that PCP if you want to.

Your choice of PCP

1. Pick a PCP at the time you enroll in the Community Plan program with UHC Dual Complete NM-Y1 (PPO D-SNP). This person will be your PCP while you are enrolled in UHC Dual Complete NM-Y1 (PPO D-SNP).
 - If your current PCP is a Provider in UHC Dual Complete NM-Y1 (PPO D-SNP)'s network, you may stay with that doctor
 - If you don't have a PCP, you can choose from a list of doctors in our **Provider Directory** or at **connect.werally.com/state-plan-selection/uhc.medicaid/state**
 - Call Member Services at **1-866-393-0208**, TTY **711** if you need help in picking a doctor
 - If you do not pick a PCP within the first 10 days of being in our plan, we will choose a doctor for you. If you do not like the PCP we pick for you, you may change your PCP. Call Member Services at **1-866-393-0208**, TTY **711** to change your PCP.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit **myuhc.com/CommunityPlan**.

- UHC Dual Complete NM-Y1 (PPO D-SNP) will send you a UCard. Your PCP's name and phone number will be included on the letter mailed out to you.
2. Your PCP may be one of the following:
 - Family and General Practice Doctor – Usually can see the whole family
 - Internal Medicine Doctor – Usually sees only adults
 - Obstetrician/Gynecologist (OB/GYN) – Specializes in women's health and maternity care
 - If you have special health care needs, you may choose a specialist as your PCP
 3. When you pick your PCP, please:
 - Try to pick a doctor who can send you to the hospital you want. Not all doctors can send patients to all hospitals. Our provider directory lists which hospitals a PCP can send you to. You can also call Member Services for help.
 - Sometimes the PCP you choose won't be able to take new patients. We will let you know if you need to pick a different doctor.

Option to change your PCP

You may change your PCP for any reason, at any time. Also, it's possible that your PCP may leave our plan's network. If your PCP leaves our network, we can help you find a new PCP in our network.

If you want to change your PCP, call Member Services or go online. If you need help picking a new PCP, Member Services can help you. If the PCP is accepting additional plan members, the change will become effective on the first day of the following month. You will receive a new UHC Dual Complete NM-Y1 (PPO D-SNP) UCard that shows your new PCP name and phone number.

Services you can get without approval from your PCP

In most cases, you need approval from your PCP before using other providers. This approval is called a **referral**. You can get services like the ones listed below without getting approval from your PCP first:

- Emergency services from network providers or out-of-network providers.
- Urgently needed care from network providers.
- Urgently needed care from out-of-network providers when you can't get to a network provider (for example, if you're outside our plan's service area or during the weekend).

Note: Urgently needed care must be immediately needed and medically necessary.

- Kidney dialysis services that you get at a Medicare-certified dialysis facility when you're outside our plan's service area. Call Member Services before you leave the service area. We can help you get dialysis while you're away.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

- Flu shots and COVID-19 vaccinations
- Routine women's health care and family planning services. This includes breast exams, screening mammograms (x-rays of the breast), Pap tests, and pelvic exams.
- Native American members may go to an Indian Health Service (IHS) or Tribal health care facility. There is no need for a referral or prior authorization.
- Mental health care
- Substance abuse care
- Sexually transmitted disease (STD) testing and treatment – includes annual exam and up to five gynecologist (GYN) visits per year
- Routine eye exams
- Education classes – including parenting, smoking cessation and childbirth

Section D2 Care from specialists and other network providers

A specialist is a doctor who provides health care for a specific disease or part of the body. There are many kinds of specialists, such as:

- Oncologists care for patients with cancer.
- Cardiologists care for patients with heart problems.
- Orthopedists care for patients with bone, joint, or muscle problems.

Even though your PCP is trained to handle most common health care needs, there may be a time when you feel that you need to see a network specialist. **You do not need a referral from your PCP to see a network specialist or behavioral/mental health provider.** Although you do not need a referral from your PCP to see a network specialist, your PCP can recommend an appropriate network specialist for your medical condition, answer questions you have regarding a network specialist's treatment plan and provide follow-up health care as needed. For coordination of care, we recommend you notify your PCP when you see a network specialist.

Please refer to the **Provider Directory** for a listing of Plan specialists available through your network, or you may consult the **Provider Directory** online at myuhc.com/CommunityPlan.

If we are unable to find you a qualified plan network provider, we must give you a standing service authorization for a qualified specialist for any of these conditions:

- A chronic (ongoing) condition;
- A life-threatening mental or physical illness;
- A degenerative disease or disability;

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

- Any other condition or disease that is serious or complex enough to require treatment by a specialist.

If you do not get a service authorization from us when needed, the bill may not be paid. For more information, call Member Services at the phone number printed at the bottom of this page.

Section D3 **When a provider leaves our plan**

A network provider you use may leave our plan. If one of your providers leaves our plan, you have certain rights and protections that are summarized below:

- Even if our network of providers change during the year, we must give you uninterrupted access to qualified providers.
- We will notify you that your provider is leaving our plan so that you have time to select a new provider.
 - If your primary care or behavioral health provider leaves our plan, we will notify you if you have seen that provider within the past three years.
 - If any of your other providers leave our plan, we will notify you if you are assigned to the provider, currently receive care from them, or have seen them within the past three months.
- We help you select a new qualified in-network provider to continue managing your health care needs.
- If you are currently undergoing medical treatment or therapies with your current provider, you have the right to ask, and we work with you to ensure, that the medically necessary treatment or therapies you are getting continues.
- We will provide you with information about the different enrollment periods available to you and options you may have for changing plans.
- If we can't find a qualified network specialist accessible to you, we must arrange an out-of-network specialist to provide your care when an in-network provider or benefit is unavailable or inadequate to meet your medical needs. Covered services that may need approval in advance are marked in the Medical Benefits Chart.
- If you think we haven't replaced your previous provider with a qualified provider or that we aren't managing your care well, you have the right to file a quality of care complaint to the QIO, a quality of care grievance, or both. (Refer to **Chapter 9** for more information.)

If you find out one of your providers is leaving our plan, contact us. We can assist you in finding a new provider and managing your care. Please call Member Services at the phone number printed at the bottom of this page.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

Section D4 Out-of-network providers

As a member of our plan, you can choose to receive care from out-of-network providers. However, please note providers that do not contract with us are under no obligation to treat you, except in emergency situations. Our plan will cover services from either network or out-of-network providers, as long as the services are covered benefits and are medically necessary. However, if you use an out-of-network provider, your share of the costs for your covered services may be higher.

If you use an out-of-network provider, the provider must be eligible to participate in Medicare and/or Turquoise Care Plan.

- We cannot pay a provider who is not eligible to participate in Medicare and/or Turquoise Care Plan's.
- If you use a provider who is not eligible to participate in Medicare, you must pay the full cost of the services you get.
- Providers must tell you if they are not eligible to participate in Medicare.

- The EOR makes sure the SDCB member's employee timesheets and invoices are accurate, signed and submitted to the FMA on time
- The EOR cannot be a paid employee for the SDCB member

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

3. Every Turquoise Care Plan SDCB member works with a care coordinator and a support broker.
 - The SDCB member works with a support broker, similar to a Mi Via consultant. The support broker helps the member build an SDCB care plan and assists the member with the SDCB program.
 - All MCOs contract with support brokers. All SDCB members must choose a support broker that is contracted with their selected MCO.
 - SDCB members also have an MCO care coordinator who helps the SDCB support broker manage the member's SDCB program
 - The care coordinator and support broker assist the SDCB member with virtually every aspect of the SDCB
4. Every Turquoise Care Plan SDCB member works with the Financial Management Agency (FMA) who credentials their employees and processes provider payroll.
 - The FMA manages an online system to allow SDCB members to view their approved SDCB care plan and their budget expenditures
 - All SDCB members work with the same FMA to perform the financial tasks associated with hiring, firing and paying providers on time
5. The SDCB budget is determined based on the SDCB member's needs.
 - SDCB budgets are determined by the types of services an SDCB member is assessed to need. The Care Coordinator completes a Comprehensive Needs Assessment (CNA) when the Level of Care is determined or redetermined.
 - The CNA identifies the services that will help the SDCB member stay safe in the community, and a Medicaid dollar amount is assigned to these services. The SDCB care plan is built using the approved SDCB budget. The support broker helps the member build the SDCB care plan which covers the SDCB member's needs for a year.
 - The MCO reviews the proposed SDCB care plan and makes the final approval and/or denial
6. An SDCB member's family may be a provider if qualified and approved to work.
 - An SDCB member may submit a written request to their MCO to hire a family member
 - The MCO will determine if the member meets the criteria to have a family member get paid to provide their care
7. An SDCB member may transition to the ABCB model at any time.
 - If an SDCB member no longer wishes to direct their own care, the member may request to leave the SDCB program and get his or her services from the ABCB

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

- There is no break in service during this transition; however, there are different services available in each Community Benefits benefit package – For example, related goods are not available in ABCB, and Assisted Living is not available in SDCB
- The MCO may request an SDCB member transition to the ABCB if the member is having difficulty managing the SDCB program. Extensive education and assistance is provided to the member to help them understand the SDCB program prior to making the decision to transition them to the ABCB model.

Section H Covered services in a medical emergency, when urgently needed, or during a disaster

Section H1 Care in a medical emergency

A medical emergency is a medical condition with symptoms such as severe pain or serious injury. The condition is so serious that, if it doesn't get immediate medical attention, you or anyone with an average knowledge of health and medicine could expect it to result in:

- Serious risk to your health or to that of your unborn child; **or**
- Serious harm to bodily functions; **or**
- Serious dysfunction of any bodily organ or part.

If you have a medical emergency:

- **Get help as fast as possible.** Call 911 or use the nearest emergency room or hospital. Call for an ambulance if you need it. You do **not** need approval or a referral from your PCP. You do not need to use a network provider. You may get emergency medical care whenever you need it, anywhere in the U.S. or its territories and from any provider with an appropriate state license.

As soon as possible, tell our plan about your emergency. We follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours by calling Member Services at **1-866-393-0208**, TTY **711**. However, you won't pay for emergency services if you delay telling us. Call Member Services at the phone number printed at the bottom of this page.

Covered services in a medical emergency

If you need an ambulance to get to the emergency room, our plan covers that. We also cover medical services during the emergency. To learn more, refer to the Medical Benefits Chart in **Chapter 4** of your **Member Handbook**.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

The providers who give you emergency care decide when your condition is stable and the medical emergency is over. They will continue to treat you and will contact us to make plans if you need follow-up care to get better.

Our plan covers your follow-up care. If you get your emergency care from out-of-network providers, we will try to get network providers to take over your care as soon as possible.

Getting emergency care if it wasn't an emergency

Sometimes it can be hard to know if you have a medical or behavioral health emergency. You may go in for emergency care and the doctor says it wasn't really an emergency. As long as you reasonably thought your health was in serious danger, we cover your care.

After the doctor says it wasn't an emergency, we cover your additional care **only** if:

- You use a network provider **or**
- The additional care you get is considered "urgently needed care" and you follow the rules for getting it. Refer to the next section.

Section H2 Urgently needed care

Urgently needed care is care you get for a situation that isn't an emergency but needs care right away. For example, you might have a flare-up of an existing condition or a severe sore throat that occurs over the weekend and need treatment.

Urgently needed care in our plan's service area

In most cases, we cover urgently needed care only if:

- You get this care from a network provider **and**
- You follow the rules described in this chapter.

If it is not possible or reasonable to get to a network provider, we cover urgently needed care you get from an out-of-network provider.

Check your **Provider Directory** for a list of network Urgent Care Centers.

Urgently needed care outside our plan's service area

When you're outside our plan's service area, you may not be able to get care from a network provider. In that case, our plan covers urgently needed care you get from any provider.

Our plan does not cover urgently needed care or any other non-emergency care that you get outside the United States.

Our plan covers worldwide emergency and urgently needed services outside the United States under the following circumstances: emergency services, including emergency or urgently needed care and emergency ambulance transportation from the scene of an emergency to the nearest

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

medical treatment facility. Transportation back to the United States from another country is not covered. Pre-scheduled, pre-planned treatments (including dialysis for an ongoing condition) and/or elective procedures are not covered.

Section H3 Care during a disaster

If the Governor of your state, the U.S. Secretary of Health and Human Services, or the President of the United States declares a state of disaster or emergency in your geographic area, you are still entitled to care from our plan.

Visit our website for information on how to get care you need during a declared disaster: **myuhc.com/CommunityPlan**.

During a declared disaster, if you can't use a network provider, you can get care from out-of-network providers at the in-network cost-sharing rate. If you can't use a network pharmacy during a declared disaster, you can fill your prescription drugs at an out-of-network pharmacy. Refer to **Chapter 5** of your **Member Handbook** for more information.

Section I What to do if you are billed directly for services our plan covers

If a provider sends you a bill instead of sending it to our plan, you should ask us to pay the bill.

You should not pay the bill yourself. If you do, we may not be able to pay you back.

If you paid for your covered services or if you got a bill for the full cost of covered medical services, refer to **Chapter 7** of your **Member Handbook** to find out what to do.

Section I1 What to do if our plan does not cover services

Our plan covers all services:

- That are determined medically necessary, **and**
- That are listed in our plan's Medical Benefits Chart (refer to **Chapter 4** of your **Member Handbook**), **and**
- That you get by following plan rules.

Turquoise Care Plan covers some services that are not covered by this program (for example, some community-based behavioral health services).

If you get services that neither our plan nor Turquoise Care Plan covers, **you pay the full cost yourself**.

If you want to know if we pay for any medical service or care, you have the right to ask us. You also have the right to ask for this in writing. If we say we will not pay for your services, you have the right

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit **myuhc.com/CommunityPlan**.

to appeal our decision.

Chapter 9 of your **Member Handbook** explains what to do if you want us to cover a medical service or item. It also tells you how to appeal our coverage decision. Call Member Services to learn more about your appeal rights.

We pay for some services up to a certain limit. If you go over the limit, you pay the full cost to get more of that type of service. Refer to **Chapter 4** for specific benefit limits. Call Member Services to find out what the benefit limits are and how much of your benefits you've used.

Section J Coverage of health care services in a clinical research study

Section J1 Definition of a clinical research study

A clinical research study (also called a clinical trial) is a way doctors test new types of health care or drugs. A clinical research study approved by Medicare typically asks for volunteers to be in the study.

Once Medicare approves a study you want to be in, and you express interest, someone who works on the study contacts you. That person tells you about the study and finds out if you qualify to be in it. You can be in the study as long as you meet the required conditions. You must understand and accept what you must do in the study.

While you're in the study, you may stay enrolled in our plan. That way, our plan continues to cover you for services and care not related to the study.

If you want to take part in any Medicare-approved clinical research study, you do **not** need to tell us or get approval from us or your primary care provider. Providers that give you care as part of the study do **not** need to be network providers. Please note that this does not include benefits for which our plan is responsible that include, as a component, a clinical trial or registry to assess the benefit. These include certain benefits specified under national coverage determinations requiring coverage with evidence development (NCDs-CED) and investigational device exemption (IDE) studies and may be subject to prior authorization and other plan rules.

We encourage you to tell us before you take part in a clinical research study.

If you plan to be in a clinical research study, covered for members by Original Medicare, we encourage you or your care coordinator to contact Member Services to let us know you will take part in a clinical trial.

Section J2 Payment for services when you are in a clinical research study

If you volunteer for a clinical research study that Medicare approves, you pay nothing for the services covered under the study. Medicare pays for services covered under the study as well as

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208, TTY 711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

routine costs associated with your care. Once you join a Medicare-approved clinical research study, you're covered for most services and items you get as part of the study. This includes:

- Room and board for a hospital stay that Medicare would pay for even if you weren't in a study
- An operation or other medical procedure that is part of the research study
- Treatment of any side effects and complications of the new care

If you're part of a study that Medicare has **not** approved, you pay any costs for being in the study.

- Generally, Medicare will not pay for the new item or service that the study is testing unless Medicare would cover the item or service even if you were not in a study.
- Items or services provided only to collect data, and not used in your direct health care. For example, Medicare would not pay for monthly CT scans done as part of the study if your medical condition would normally require only one CT scan.
- Items and services customarily provided by the research sponsors free-of-charge for any enrollee in the trial.

Section J3 **More about clinical research studies**

You can learn more about joining a clinical research study by reading "Medicare & Clinical Research Studies" on the Medicare website ([medicare.gov/Pubs/pdf/02226-Medicare-and-Clinical-Research-Studies.pdf](https://www.medicare.gov/Pubs/pdf/02226-Medicare-and-Clinical-Research-Studies.pdf)). You can also call **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. TTY users should call **1-877-486-2048**.

Section K **How your health care services are covered in a religious non-medical health care institution**

Section K1 **Definition of a religious non-medical health care institution**

A religious non-medical health care institution is a place that provides care you would normally get in a hospital or skilled nursing facility. If getting care in a hospital or a skilled nursing facility is against your religious beliefs, we cover care in a religious non-medical health care institution.

This benefit is only for Medicare Part A inpatient services (non-medical health care services).

Section K2 **Care from a religious non-medical health care institution**

To get care from a religious non-medical health care institution, you must sign a legal document that says you are against getting medical treatment that is "non-excepted."

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

- “Non-excepted” medical treatment is any care that is **voluntary and not required** by any federal, State, or local law.
- “Excepted” medical treatment is any care that is **not voluntary and is required** under federal, State, or local law.

To be covered by our plan, the care you get from a religious non-medical health care institution must meet the following conditions:

- The facility providing the care must be certified by Medicare.
- Our plan's coverage of services is limited to **non-religious** aspects of care.
- If you get services from this institution that are provided to you in a facility:
 - You must have a medical condition that would allow you to get covered services for inpatient hospital care or skilled nursing facility care.
 - **— and —** You must get approval from us before you are admitted to the facility, or your stay will **not** be covered.

Medicare Inpatient Hospital coverage limits apply. The coverage limits are described under **Inpatient Hospital Care** in the Medical Benefits Chart in **Chapter 4**.

Section L Durable medical equipment (DME)

Section L1 DME as a member of our plan

DME includes certain medically necessary items ordered by a provider, such as wheelchairs, crutches, powered mattress systems, diabetic supplies, hospital beds ordered by a provider for use in the home, intravenous (IV) infusion pumps, speech generating devices, oxygen equipment and supplies, nebulizers, walkers, incontinence supplies, and bath chairs.

You always own certain items, such as prosthetics.

In this section, we discuss DME you rent. As a member of our plan, you usually will **not** own DME, no matter how long you rent it.

Even if you had DME for up to 12 months in a row under Medicare before you joined our plan, you will **not** own the equipment.

Section L2 DME ownership if you switch to Original Medicare

In the Original Medicare program, people who rent certain types of DME own it after 13 months. In a Medicare Advantage (MA) plan, the plan can set the number of months people must rent certain types of DME before they own it.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

Note: You can find definitions of Original Medicare and MA Plans in **Chapter 12**. You can also find more information about them in the **Medicare & You 2025** handbook. If you don't have a copy of this booklet, you can get it at the Medicare website ([medicare.gov/medicare-and-you](https://www.medicare.gov/medicare-and-you)) or by calling **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. TTY users should call **1-877-486-2048**.

You will have to make 13 payments in a row under Original Medicare, or you will have to make the number of payments in a row set by the MA plan, to own the DME item if:

- You did not become the owner of the DME item while you were in our plan, **and**
- You leave our plan and get your Medicare benefits outside of any health plan in the Original Medicare program or an MA plan.

If you made payments for the DME item under Original Medicare or an MA plan before you joined our plan, **those Original Medicare or MA plan payments do not count toward the payments you need to make after leaving our plan.**

- You will have to make 13 new payments in a row under Original Medicare or a number of new payments in a row set by the MA plan to own the DME item.
- There are no exceptions to this when you return to Original Medicare or an MA plan

Section L3 Oxygen equipment benefits as a member of our plan

If you qualify for oxygen equipment covered by Medicare and you're a member of our plan, we cover:

- Rental of oxygen equipment
- Delivery of oxygen and oxygen contents
- Tubing and related accessories for the delivery of oxygen and oxygen contents
- Maintenance and repairs of oxygen equipment

Oxygen equipment must be returned when it's no longer medically necessary for you or if you leave our plan.

Section L4 Oxygen equipment when you switch to Original Medicare or another Medicare Advantage (MA) plan

When oxygen equipment is medically necessary and **you leave our plan and switch to Original Medicare**, you rent it from a supplier for 36 months. Your monthly rental payments cover the oxygen equipment and the supplies and services listed above.

If oxygen equipment is medically necessary **after you rent it for 36 months**, your supplier must provide:

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

- Oxygen equipment, supplies, and services for another 24 months
- Oxygen equipment and supplies for up to 5 years if medically necessary

If oxygen equipment is still medically necessary **at the end of the 5-year period**:

- Your supplier no longer has to provide it, and you may choose to get replacement equipment from any supplier.
- A new 5-year period begins.
- You rent from a supplier for 36 months.
- Your supplier then provides the oxygen equipment, supplies, and services for another 24 months.
- A new cycle begins every 5 years as long as oxygen equipment is medically necessary.

When oxygen equipment is medically necessary and **you leave our plan and switch to another MA plan**, the plan will cover at least what Original Medicare covers. You can ask your new MA plan what oxygen equipment and supplies it covers and what your costs will be.

Section A Your covered services

This chapter tells you about services our plan covers as a member of UHC Dual Complete NM-Y1 (PPO D-SNP). You can also learn about services that are not covered. Information about drug benefits is in **Chapter 5** of your **Member Handbook**.

Because you get assistance from Turquoise Care Plan, you pay nothing for your covered services as long as you follow our plan's rules. Refer to **Chapter 3** of your **Member Handbook** for details about the plan's rules.

If you need help understanding what services are covered, call your care coordinator or Member Services at the number printed at the bottom of this page.

Grace Period

Members who have full Medicaid Benefits and lose your Medicaid eligibility, we will provide you a 6-month grace period while you reapply for assistance. You will remain enrolled in our Plan during this time.

During the grace period, if you do go to your provider, you will have out-of-pocket costs that your Medicare plan will not cover. You will be responsible for those costs until you regain your Medicaid eligibility. Your out-of-pocket costs may include Medicare plan deductibles, copayments and coinsurance up to the Original Medicare amounts, which can be found at medicare.gov.

In addition, you will need to pay the plan premium previously covered by DC Department of Healthcare Finance. You always remain responsible for the Part B premium unless this amount is paid on your behalf. Please call Member Service at the number printed at the bottom of this page for additional information related to out-of-pocket costs during the grace period.

Please keep copies of your bills and receipts for any care received during the grace period. Also keep a copy of any letter or other documentation regarding your loss of Turquoise Care Plan eligibility so we can verify eligibility for the grace period.

If you do not regain Medicaid eligibility during the grace period, you will be disenrolled from our plan and will return to Original Medicare if you are eligible for Original Medicare. If you are not eligible for Medicare benefits you must check with your State Medical Assistance agency to see if there are any other public programs available to you. If you receive notice that your Medicaid overage has expired, please contact the Medicaid office as soon as possible to reapply for assistance. Your Turquoise Care Plan Agency phone number is **1-800-283-4465**. Please contact UnitedHealthcare Member Services at the number printed at the bottom of this page if you have questions.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

Section A1 During public health emergencies

During a declared public health emergency (e.g., the COVID-19 pandemic), if you get medically necessary services from an out-of-network provider at any time during the public health emergency, please call us to help you obtain reimbursement for any out of pocket expense you might have incurred. Please call Member Services at the number printed at the bottom of this page more information.

Section B Rules against providers charging you for services

We don't allow our providers to bill you for in-network covered services. We pay our providers directly, and we protect you from any charges. This is true even if we pay the provider less than the provider charges for a service.

You should never get a bill from a provider for covered services. If you do, refer to **Chapter 7** of your **Member Handbook** or call Member Services.

Section C About our plan's Medical Benefits Chart

The Medical Benefits Chart tells you the services our plan pays for. It lists covered services in alphabetical order and explains them.

We pay for the services listed in the Medical Benefits Chart when the following rules are met.

- We provide covered Medicare and Turquoise Care Plan covered services according to the rules set by Medicare and Turquoise Care Plan.
- The services (including medical care, behavioral health and substance use services, long-term services and supports, supplies, equipment, and drugs) must be “medically necessary.” Medically necessary describes services, supplies, or drugs you need to prevent, diagnose, or treat a medical condition or to maintain your current health status. This includes care that keeps you from going into a hospital or nursing facility. It also means the services, supplies, or drugs meet accepted standards of medical practice.
- For new members, your MA coordinated care plan must provide a minimum 90-day transition period, during which time the new MA plan may not require prior authorization for any active course of treatment, even if the course of treatment was for a service that began with an out-of-network provider.
- You have a primary care provider (PCP) or a care team that is providing and managing your care.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

- Some of the services listed in the medical benefits chart are covered as in-network services only if your doctor or other network provider gets approval in advance (sometimes called “prior authorization”) from:
 - Covered services that may need approval in advance to be covered as in-network services are marked by a double dagger (††) in the medical benefits chart.
 - Network providers agree by contract to obtain prior authorization from the plan and agree not to balance bill you.
 - You never need approval in advance for out-of-network services from out-of-network providers.
 - While you don't need approval in advance for out-of-network services, you or your doctor can ask us to make a coverage decision in advance.
 - If your coordinated care plan provides approval of a prior authorization request for a course of treatment, the approval must be valid for as long as medically reasonable and necessary to avoid disruptions in care in accordance with applicable coverage criteria, your medical history, and the treating provider’s recommendation.

Other important things to know about our coverage:

- For benefits where your cost-sharing is a coinsurance percentage, the amount you pay depends on what type of provider you receive the services from:
 - If you receive the covered services from a network provider, you pay the coinsurance percentage multiplied by the plan's reimbursement rate (as determined in the contract between the provider and the plan).
 - If you receive the covered services from an out-of-network provider who participates with Medicare, you pay the coinsurance percentage multiplied by the Medicare payment rate for participating providers.
 - If you receive the covered services from an out-of-network provider who does not participate with Medicare, you pay the coinsurance percentage multiplied by the Medicare payment rate for non-participating providers.
- You are covered by both Medicare and Medicaid. Medicare covers health care and prescription drugs. Medicaid covers your cost-sharing for Medicare services. Medicaid also covers services Medicare does not cover, like long-term care and home and community-based services.
- Like all Medicare health plans, we cover everything that Original Medicare covers. (If you want to know more about the coverage and costs of Original Medicare, look in your Medicare & You 2025 handbook. View it online at [medicare.gov](https://www.medicare.gov) or ask for a copy by calling **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. TTY users should call **1-877-486-2048**.)

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

- For all Preventive services that are covered at no cost under Original Medicare, we also cover the service at no cost to you when you use a network provider. However, if you also are treated or monitored for an existing medical condition during the visit when you receive the preventive service, a copayment will apply for the care received for the existing medical condition. See the medical benefits chart for information about your share of the out-of-network costs for these services.
- If Medicare adds coverage for any new services during 2025, either Medicare or our plan will cover those services.
- If you are within our plan's 6-month period of deemed continued eligibility, we will continue to provide all appropriate Medicare Advantage plan Medicare-covered benefits. However, during this period, we will not continue to cover Medicaid benefits that are included under the Medicaid State Plan, nor will we pay the Medicare premiums or cost sharing for which the state would otherwise be liable.
- Medicare approved to provide these benefits and/or lower copayments/coinsurance as part of the Value-Based Insurance Design program. This program lets Medicare try new ways to improve Medicare Advantage plans.

Inpatient hospital care (continued)

The plan's hospital network for organ transplant services is different than the network shown in the 'Hospitals' section of your **Provider Directory**. Some hospitals in the plan's network for other medical services are not in the plan's network for transplant services.

For information on network facilities for transplant services, please call UHC Dual Complete NM-Y1 (PPO D-SNP) Member Services at **1-866-393-0208**, TTY **711**. If you need a transplant, we will arrange to have your case reviewed by a Medicare-approved transplant center that will decide whether you are a candidate for a transplant. Transplant providers may be local or outside the service area.

If our in-network transplant providers are outside the community pattern of care, you may choose to go locally as long as the local transplant providers are willing to accept the Original Medicare rate. If UHC Dual Complete NM-Y1 (PPO D-SNP) provides transplant services at a location outside the pattern of care for transplants in your community and you choose to obtain transplants at this distant location, we will arrange or pay for appropriate lodging and transportation costs for you and a companion.

While you are receiving care at the distant location, we will also reimburse transportation costs to and from the hospital or doctor's office for evaluations, transplant services and follow-up care. (Transportation in the distant location includes, but is not limited to: vehicle mileage, economy/coach airfare, taxi fares, or rideshare services.) Costs for lodging or places to stay such as hotels, motels, or short-term housing as a result of travel for a covered organ transplant may also be covered. You can be reimbursed for eligible costs up to \$125 per day total. Transportation services are not subject to the daily limit amount.

Section E **Benefits covered outside of our plan**

We don't cover the following services, but they are available through Medicare or Turquoise Care Plan.

Section E1 **Hospice care**

You have the right to elect hospice if your provider and hospice medical director determine you have a terminal prognosis. This means you have a terminal illness and are expected to have six months or less to live. You can get care from any hospice program certified by Medicare. The plan must help you find Medicare-certified hospice programs. Your hospice doctor can be a network provider or an out-of-network provider.

Refer to the Medical Benefits Chart in **Section D** for more information about what we pay for while you are getting hospice care services.

For hospice services and services covered by Medicare Part A or Medicare Part B that relate to your terminal prognosis

- The hospice provider bills Medicare for your services. Medicare pays for hospice services related to your terminal prognosis. You pay nothing for these services.

For services covered by Medicare Part A or Medicare Part B that are not related to your terminal prognosis

- The provider will bill Medicare for your services. Medicare will pay for the services covered by Medicare Part A or Medicare Part B. You pay nothing for these services.

For drugs that may be covered by our plan's Medicare Part D benefit

- Drugs are never covered by both hospice and our plan at the same time. For more information, refer to **Chapter 5** of your **Member Handbook**.

Note: If you need non-hospice care, call your care coordinator to arrange the services. Non-hospice care is care not related to your terminal prognosis.

Section F **Benefits not covered by our plan, Medicare, or Turquoise Care Plan**

This section tells you about benefits excluded by our plan. "Excluded" means that we do not pay for these benefits. Medicare and Medicaid do not pay for them either.

The list below describes some services and items not covered by us under any conditions and some excluded by us only in some cases.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

We do not pay for excluded medical benefits listed in this section (or anywhere else in this **Member Handbook**) except under specific conditions listed. If you get the services that are excluded (not covered), you must pay for them yourself except under the specific conditions listed below. Even if you receive the services at an emergency facility, the plan will not pay for the services. If you think that our plan should pay for a service that is not covered, you can request an appeal. For information about appeals, refer to **Chapter 9** of your **Member Handbook**.

In addition to any exclusions or limitations described in the Medical Benefits Chart, our plan does not cover the following items and services:

- Services considered not “reasonable and medically necessary”, according to Medicare and Turquoise Care Plan standards, unless we list these as covered services
- Experimental medical and surgical treatments, items, and drugs, unless Medicare, a Medicare-approved clinical research study, or our plan covers them. Refer to **Chapter 3** of your **Member Handbook** for more information on clinical research studies. Experimental treatment and items are those that are not generally accepted by the medical community.
- Surgical treatment for morbid obesity, except when medically necessary and Medicare pays for it
- A private room in a hospital, except when medically necessary
- Private duty nurses
- Personal items in your room at a hospital or a nursing facility, such as a telephone or television
- Full-time nursing care in your home
- Fees charged by your immediate relatives or members of your household
- Elective or voluntary enhancement procedures or services (including weight loss, hair growth, sexual performance, athletic performance, cosmetic purposes, anti-aging and mental performance), except when medically necessary
- Cosmetic surgery or other cosmetic work, unless it is needed because of an accidental injury or to improve a part of the body that is not shaped right. However, we pay for reconstruction of a breast after a mastectomy and for treating the other breast to match it
- Chiropractic care, other than manual manipulation of the spine consistent with coverage guidelines
- Orthopedic shoes, unless the shoes are part of a leg brace and are included in the cost of the brace, or the shoes are for a person with diabetic foot disease
- Supportive devices for the feet, except for orthopedic or therapeutic shoes for people with diabetic foot disease
- Reversal of sterilization procedures and non-prescription contraceptive supplies

- Naturopath services (the use of natural or alternative treatments)
- Services provided to veterans in Veterans Affairs (VA) facilities. However, when a veteran gets emergency services at a VA hospital and the VA cost-sharing is more than the cost-sharing under our plan, we will reimburse the veteran for the difference. You are still responsible for your cost-sharing amounts.

Chapter 5

Getting your outpatient
prescription drugs

Chapter 5

Getting your outpatient prescription drugs

Introduction

This chapter explains rules for getting your outpatient prescription drugs. These are drugs that your provider orders for you that you get from a pharmacy or by mail-order. They include drugs covered under Medicare Part D and Turquoise Care Plan. Key terms and their definitions appear in alphabetical order in the last chapter of your **Member Handbook**.

We also cover the following drugs, although they are not discussed in this chapter:

- **Drugs covered by Medicare Part A.** These generally include drugs given to you while you are in a hospital or nursing facility.
- **Drugs covered by Medicare Part B.** These include some chemotherapy drugs, some drug injections given to you during an office visit with a doctor or other provider, and drugs you are given at a dialysis clinic. To learn more about what Medicare Part B drugs are covered, refer to the Medical Benefits Chart in **Chapter 4** of your **Member Handbook**.
- In addition to the plan's Medicare Part D and medical benefits coverage, your drugs may be covered by Original Medicare if you are in Medicare hospice. For more information, please refer to **Chapter 5, Section F** "If you are in a Medicare-certified hospice program."

Rules for our plan's outpatient drug coverage

In addition to the drugs covered by Medicare, some prescription drugs are covered for you under your Turquoise Care Plan benefits. The **Drug List** tells you how to find out about your Turquoise Care Plan drug coverage.

We usually cover your drugs as long as you follow the rules in this section. You must have a provider (doctor, dentist, or other prescriber) write your prescription, which must be valid under applicable State law. This person often is your primary care provider (PCP).

Your prescriber must **not** be on Medicare's Exclusion or Preclusion Lists or any similar Medicaid lists.

You generally must use a network pharmacy to fill your prescription.

Your prescribed drug must be on our plan's **List of Covered Drugs**. We call it the **Drug List** for short. (Refer to **Section B** of this chapter)

- If it is not on the "Drug List," we may be able to cover it by giving you an exception.
- Refer to **Chapter 9** to learn about asking for an exception.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

Your drug must be used for a medically accepted indication. This means that use of the drug is either approved by the Food and Drug Administration (FDA) or supported by certain medical references. Your prescriber may be able to help identify medical references to support the requested use of the prescribed drug. Your drug may require approval before we will cover it. Refer to **Section C** in this chapter.

Section A Getting your prescriptions filled

Section A1 Filling your prescription at a network pharmacy

In most cases, we pay for prescriptions only when filled at any of our network pharmacies. A network pharmacy is a drug store that agrees to fill prescriptions for our plan members. You may use any of our network pharmacies.

To find a network pharmacy, look in the **Provider and Pharmacy Directory**, visit our website or contact Member Services or your care coordinator.

Section A2 Using your member UCard when you fill a prescription

To fill your prescription, **show your member UCard** at your network pharmacy. The network pharmacy bills us for your covered prescription drug.

If you do not have your Member UCard with you when you fill your prescription, ask the pharmacy to call the plan to get the necessary information, or you can ask the pharmacy to look up your plan enrollment information.

If the pharmacy can't get the necessary information, you may have to pay the full cost of the prescription when you pick it up. Then you can ask us to pay you back. **If you can't pay for the drug, contact Member Services right away.** We will do everything we can to help.

- To ask us to pay you back, refer to **Chapter 7** of your **Member Handbook**.
- If you need help getting a prescription filled, contact Member Services or your care coordinator.

Section A3 What to do if you change your network pharmacy

If you change pharmacies and need a prescription refill, you can either ask to have a new prescription written by a provider or ask your pharmacy to transfer the prescription to the new pharmacy if there are any refills left.

If you need help changing your network pharmacy, contact Member Services or your care coordinator.

Section A4 What to do if your pharmacy leaves the network

If the pharmacy you use leaves our plan's network, you need to find a new network pharmacy.

To find a new network pharmacy, look in the **Provider and Pharmacy Directory**, visit our website, or contact Member Services or your care coordinator.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

Section A5 Using a specialized pharmacy

Sometimes prescriptions must be filled at a specialized pharmacy. Specialized pharmacies include:

- Pharmacies that supply drugs for home infusion therapy.
- Pharmacies that supply drugs for residents of a long-term care facility, such as a nursing facility.
 - Usually, long-term care facilities have their own pharmacies. If you're a resident of a long-term care facility, we make sure you can get the drugs you need at the facility's pharmacy.
 - If your long-term care facility's pharmacy is not in our network or you have difficulty getting your drugs in a long-term care facility, contact Member Services.
- Pharmacies that serve the Indian Health Service/Tribal/Urban Indian Health Program. Except in emergencies, only Native Americans or Alaska Natives may use these pharmacies.
- Pharmacies that dispense drugs that are restricted by the FDA to certain locations or that require special handling, provider coordination, or education on their use. To locate a specialized pharmacy, look in your **Pharmacy Directory myuhc.com/CommunityPlan**, or contact Member Services.

Section A6 Using mail-order services to get your drugs

Our plan's mail-order service requires you to order a **90-day supply**. A 100-day supply has the same copay as a three-month supply. Optum Home Delivery Pharmacy and Optum Rx are affiliates of UnitedHealthcare Insurance Company. You are not required to use Optum Home Delivery Pharmacy for medications you take regularly. There may be other pharmacies in our network.

Filling prescriptions by mail

To get order forms and information about filling your prescriptions by mail, please reference your **Pharmacy Directory** to find the mail service pharmacies in our network. If you use a mail-order pharmacy not in the plan's network, your prescription will not be covered.

Usually, a mail-order prescription arrives within ten business days. However, sometimes your mail-order may be delayed. If your mail-order is delayed, please follow these steps:

- If your prescription is on file at your local pharmacy, go to your pharmacy to fill the prescription.
- If your delayed prescription is not on file at your local pharmacy, then please ask your doctor or provider to call in a new prescription to your pharmacist. Or, your pharmacist can call the doctor's office for you to request the prescription. Your pharmacist can call the Pharmacy help desk at **1-877-889-6510**, TTY **711**, 24 hours a day, 7 days a week if he/she has any problems, questions, concerns, or needs a claim override for a delayed prescription.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit **myuhc.com/CommunityPlan**.

Mail-order processes

Mail-order service has different procedures for new prescriptions it gets from you, new prescriptions it gets directly from your provider's office, and refills on your mail-order prescriptions.

1. New prescriptions the pharmacy gets from you

The pharmacy automatically fills and delivers new prescriptions it gets from you.

2. New prescriptions the pharmacy gets from your provider's office

The pharmacy automatically fills and delivers new prescriptions it gets from health care providers, without checking with you first, if:

- You used mail-order services with our plan in the past, **or**
- You sign up for automatic delivery of all new prescriptions you get directly from health care providers. You may ask for automatic delivery of all new prescriptions now or at any time by phone or mail.

If you used mail-order in the past and do not want the pharmacy to automatically fill and ship each new prescription, contact us by phone or mail.

If you never used our mail-order delivery and/or decide to stop automatic fills of new prescriptions, the pharmacy contacts you each time it gets a new prescription from a health care provider to find out if you want the medication filled and shipped immediately.

- This gives you an opportunity to make sure the pharmacy is delivering the correct drug (including strength, amount, and form) and, if necessary, allows you to cancel or delay the order before it is shipped.
- Respond each time the pharmacy contacts you, to let them know what to do with the new prescription and to prevent any delays in shipping.

To opt out of automatic deliveries of new prescriptions you get directly from your health care provider's office, contact us by phone or mail.

3. Refills on mail-order prescriptions

For refills of your drugs, you have the option to sign up for an automatic refill program. Under this program we start to process your next refill automatically when our records show you should be close to running out of your drug.

- The pharmacy contacts you before shipping each refill to make sure you need more medication, and you can cancel scheduled refills if you have enough of your medication or if your medication has changed.
- If you choose not to use our auto refill program, contact your pharmacy 10 days before your current prescription will run out to make sure your next order is shipped to you in time.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

To opt out of our program that automatically prepares mail-order refills, contact us by phone or mail.

Let the pharmacy know the best ways to contact you so they can reach you to confirm your order before shipping.

Section A7 **Getting a long-term supply of drugs**

You can get a long-term supply of maintenance drugs on our plan's **Drug List**. Maintenance drugs are drugs that you take on a regular basis, for a chronic or long-term medical condition.

Some network pharmacies allow you to get a long-term supply of maintenance drugs. A 100-day supply has the same copay as a three-month supply. The **Provider and Pharmacy Directory** tells you which pharmacies can give you a long-term supply of maintenance drugs. You can also call your care coordinator or Member Services for more information.

You can use our plan's network mail-order services to get a long-term supply of maintenance drugs. Optum Home Delivery is a service of OptumRx, a home delivery pharmacy, pharmacy benefit manager and affiliate of UnitedHealthcare Insurance Company. You are not required to use OptumRx for your maintenance medications. Other pharmacies are available in your network. Refer to **Section A6** to learn about mail-order services.

Section A8 **Using a pharmacy not in our plan's network**

Generally, we pay for drugs filled at an out-of-network pharmacy only when you aren't able to use a network pharmacy. We have network pharmacies outside of our service area where you can get your prescriptions filled as a member of our plan.

We pay for prescriptions filled at an out-of-network pharmacy in the following cases:

- **Prescriptions for a Medical Emergency**

We will cover prescriptions that are filled at an out-of-network pharmacy if the prescriptions are related to care for a medical emergency or urgently needed care, are included in our Formulary without restrictions, and are not excluded from Medicare Part D coverage.

- **Coverage when traveling or out of the service area**

If you take a prescription drug on a regular basis and you are going on a trip, be sure to check your supply of the drug before you leave. When possible, take along all the medication you will need. You may be able to order your prescription drugs ahead of time through our network preferred mail service pharmacy or through our other network pharmacies. Contact Member Services to find out about ordering your prescription drugs ahead of time.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

- If you are traveling within the United States and become ill or run out of or lose your prescription drugs, we will cover prescriptions that are filled at an out-of-network pharmacy if you follow all other coverage rules.
- If you are unable to obtain a covered drug in a timely manner within the service area because a network pharmacy is not within reasonable driving distance that provides 24-hour service.
- If you are trying to fill a prescription drug not regularly stocked at an accessible network retail or network preferred mail-order pharmacy (including high cost and unique drugs).
- If you need a prescription while a patient in an emergency department, provider-based clinic, outpatient surgery, or other outpatient setting.

In these cases, check with your care coordinator or Member Services first to find out if there's a network pharmacy nearby.

Section A9 **Paying you back for a prescription**

If you must use an out-of-network pharmacy, you must generally pay the full cost when you get your prescription. You can ask us to pay you back.

To learn more about this, refer to **Chapter 7** of your **Member Handbook**.

Section B **Our plan's Drug List**

We have a **List of Covered Drugs**. We call it the **Drug List** for short.

We select the drugs on the **Drug List** with the help of a team of doctors and pharmacists. The **Drug List** also tells you the rules you need to follow to get your drugs.

We generally cover a drug on our plan's **Drug List** when you follow the rules we explain in this chapter.

Section B1 **Drugs on our Drug List**

Our **Drug List** includes drugs covered under Medicare Part D and some prescription and over-the-counter (OTC) drugs and products covered under Turquoise Care Plan.

Our **Drug List** includes brand name drugs, generic drugs, and biosimilars.

A brand name drug is a prescription drug that is sold under a trademarked name owned by the drug manufacturer. Brand name drugs that are more complex than typical drugs (for example drugs that are based on a protein) are called biological products. On our **Drug List**, when we refer to "drugs" this could mean a drug or a biological product.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

Generic drugs have the same active ingredients as brand name drugs. Since biological products are more complex than typical drugs, instead of having a generic form, they have alternative that are called biosimilars. Generally, generic drugs and biosimilars work just as well as brand name drugs or biological products and usually cost less. There are generic drug substitutes or biosimilar alternatives available for many brand name drugs and some biological products. Talk to your provider if you have questions about whether a generic or a brand name drug will meet your needs. Our plan also covers certain OTC drugs and products. Some OTC drugs cost less than prescription drugs and work just as well. For more information, call Member Services.

Section B2 How to find a drug on our Drug List

To find out if a drug you take is on our **Drug List**, you can:

- Check the most recent **Drug List** we sent you in the mail.
- Visit our plan’s website at **myuhc.com/CommunityPlan**. The **Drug List** on our website is always the most current one.
- Call your care coordinator or Member Services to find out if a drug is on our **Drug List** or to ask for a copy of the list.
- Use our “Real Time Benefit Tool” at **myuhc.com/CommunityPlan** or call your care coordinator or Member Services. With this tool you can search for drugs on the **Drug List** to get an estimate of what you will pay and if there are alternative drugs on the **Drug List** that could treat the same condition.

Section B3 Drugs not on our Drug List

We don’t cover all prescription drugs. Some drugs are not on our **Drug List** because the law doesn’t allow us to cover those drugs. In other cases, we decided not to include a drug on our **Drug List**.

Our plan does not pay for the kinds of drugs described in this section. These are called **excluded drugs**. If you get a prescription for an excluded drug, you may need to pay for it yourself. If you think we should pay for an excluded drug because of your case, you can make an appeal. Refer to **Chapter 9** of your **Member Handbook** for more information about appeals.

Here are three general rules for excluded drugs:

1. Our plan’s outpatient drug coverage (which includes Medicare Part D and Turquoise Care Plan drugs) cannot pay for a drug that Medicare Part A or Medicare Part B already covers. Our plan covers drugs covered under Medicare Part A or Medicare Part B for free, but these drugs aren’t considered part of your outpatient prescription drug benefits.

? **If you have questions**, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit **myuhc.com/CommunityPlan**.

2. Our plan cannot cover a drug purchased outside the United States and its territories.
3. Our plan cannot cover off-label use of a drug when the use is not supported by certain references, such as the American Hospital Formulary Service Drug Information and the Micromedex DRUGDEX Information System. Off-label use is any use of the drug other than those indicated on a drug's label as approved by the Food and Drug Administration.

Also, by law, Medicare or Turquoise Care Plan cannot cover the types of drugs listed below.

- Drugs used to promote fertility
- Drugs used for the relief of cough or cold symptoms, except single-agent medications prescribed by a licensed provider
- Drugs used for cosmetic purposes or to promote hair growth, unless medically necessary
- Prescription vitamins and mineral products, except certain single-agent, prenatal, or geriatric vitamins and fluoride preparations
- Drugs used for the treatment of sexual or erectile dysfunction, unless medically necessary
- Drugs used for the treatment of anorexia, weight loss or weight gain, unless included on the State Medicaid Preferred **Drug List** and the Pharmacy Billing Manual and prescribed by a licensed provider
- Outpatient drugs made by a company that says you must have tests or services done only by them
- Non-prescription drugs (also called over-the-counter drugs)

Section C Limits on some drugs

For certain prescription drugs, special rules limit how and when our plan covers them. Generally, our rules encourage you to get a drug that works for your medical condition and is safe and effective. When a safe, lower-cost drug works just as well as a higher-cost drug, we expect your provider to prescribe the lower-cost drug.

If there is a special rule for your drug, it usually means that you or your provider must take extra steps for us to cover the drug. For example, your provider may have to tell us your diagnosis or provide results of blood tests first. If you or your provider thinks our rule should not apply to your situation, ask us to make an exception. We may or may not agree to let you use the drug without taking extra steps.

To learn more about asking for exceptions, refer to **Chapter 9** of your **Member Handbook**.

- 1. Limiting use of a brand name drug or original biological products when a generic or interchangeable biosimilar version is available**

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

Generally, a generic drug or interchangeable biosimilar works the same as a brand name drug or original biological product and usually costs less. In most cases, if there is a generic or interchangeable biosimilar version of a brand name drug or original biological product, our pharmacies will give you the generic or interchangeable biosimilar.

- We usually will not pay for the brand name drug or original biological product when there is a generic version.
- However, if your provider has told us the medical reason that the generic drug or interchangeable biosimilar will not work for you or has written "No Substitutions" on your prescription for a brand name drug or original biological product or has told us the medical reason that neither the generic drug, interchangeable biosimilar nor other covered drugs that treat the same condition will work for you, then we will cover the brand name drug.

2. Getting plan approval in advance

For certain drugs, you or your provider need to get approval from the plan, based on specific criteria, before we will agree to cover the drug for you.

3. Trying a different drug first

In general, we want you to try lower-cost drugs that are as effective before we cover drugs that cost more. For example, if Drug A and Drug B treat the same medical condition, and Drug A costs less than Drug B, we may require you to try Drug A first.

If Drug A does **not** work for you, then we cover Drug B. This is called step therapy.

4. Quantity limits

For some drugs, we limit the amount of the drug you can have. This is called a quantity limit. For example, we might limit how much of a drug you can get each time you fill your prescription.

To find out if any of the rules above apply to a drug you take or want to take, check our **Drug List**. For the most up-to-date information, call Member Services or check our website at myuhc.com/CommunityPlan. If you disagree with our coverage decision based on any of the above reasons you may request an appeal. Please refer to **Chapter 9** of the **Member Handbook**.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

Section D Reasons your drug might not be covered

We try to make your drug coverage work well for you, but sometimes a drug may not be covered in the way that you like. For example:

- Our plan doesn't cover the drug you want to take. The drug may not be on our **Drug List**. We may cover a generic version of the drug but not the brand name version you want to take. A drug may be new, and we haven't reviewed it for safety and effectiveness yet.
- Our plan covers the drug, but there are special rules or limits on coverage. As explained in the section above, some drugs our plan covers have rules that limit their use. In some cases, you or your prescriber may want to ask us for an exception.

There are things you can do if we don't cover a drug the way you want us to cover it.

Section D1 Getting a temporary supply

In some cases, we can give you a temporary supply of a drug when the drug is not on our **Drug List** or is limited in some way. This gives you time to talk with your provider about getting a different drug or to ask us to cover the drug.

To get a temporary supply of a drug, you must meet the two rules below:

1. The drug you've been taking:
 - Is no longer on our **Drug List** or
 - Was never on our **Drug List** or
 - Is now limited in some way.
2. You must be in one of these situations:
 - You were in our plan last year.
 - We cover a temporary supply of your drug **during the first 90 days of the calendar year**.
 - This temporary supply is for up to 30 days.
 - If your prescription is written for fewer days, we allow multiple refills to provide up to a maximum of 30 days of medication. You must fill the prescription at a network pharmacy.
 - Long-term care pharmacies may provide your prescription drug in small amounts at a time to prevent waste.
 - You are new to our plan.
 - We cover a temporary supply of your drug **during the first 90 days of your membership in our plan**.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

- This temporary supply is for up to 30 days.
- If your prescription is written for fewer days, we allow multiple refills to provide up to a maximum of 30 days of medication. You must fill the prescription at a network pharmacy.
- Long-term care pharmacies may provide your prescription drug in small amounts at a time to prevent waste.
- You have been in our plan for more than 90 days, live in a long-term care facility, and need a supply right away.
 - We cover one 30-day supply, or less if your prescription is written for fewer days. This is in addition to the temporary supply above.
 - There may be unplanned transitions such as hospital discharges (including psychiatric hospitals) or level of care changes (i.e., changing long-term care facilities, exiting and entering a long-term care facility, ending Part A coverage within a skilled nursing facility, or ending hospice coverage and reverting to Medicare coverage) that can occur anytime. If you are prescribed a drug that is not on our **Drug List** or your ability to get your drugs is restricted in some way, you are required to use the plan’s exception process. For most drugs, you may request a one-time temporary supply of at least 30 days to allow you time to discuss alternative treatment with your doctor or to request a **Drug List** (formulary) exception. If your doctor writes your prescription for fewer days, you may refill the drug until you’ve received at least a 30-day supply.

Section D2 Asking for a temporary supply

To ask for a temporary supply of a drug, call Member Services.

When you get a temporary supply of a drug, talk with your provider as soon as possible to decide what to do when your supply runs out. Here are your choices:

- Change to another drug.

Our plan may cover a different drug that works for you. Call Member Services to ask for a list of drugs we cover that treat the same medical condition. The list can help your provider find a covered drug that may work for you.

OR

- Ask for an exception.

You and your provider can ask us to make an exception. For example, you can ask us to cover a drug that is not on our **Drug List** or ask us to cover the drug without limits. If your provider says you have a good medical reason for an exception, they can help you ask for one.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

Section D3 Asking for an exception

If a drug you take will be taken off our **Drug List** or limited in some way next year, we allow you to ask for an exception before next year.

- We tell you about any change in the coverage for your drug for next year. Ask us to make an exception and cover the drug for next year the way you would like.
- We answer your request for an exception within 72 hours after we get your request (or your prescriber's supporting statement). If we approve your request, we will authorize the coverage before the change takes effect.

To learn more about asking for an exception, refer to **Chapter 9** of your **Member Handbook**.

If you need help asking for an exception, contact Member Services or your care coordinator.

Section E Coverage changes for your drugs

Most changes in drug coverage happen on January 1, but we may add or remove drugs on our **Drug List** during the year. We may also change our rules about drugs. For example, we may:

- Decide to require or not require prior approval (PA) for a drug (permission from us before you can get a drug).
- Add or change the amount of a drug you can get (quantity limits).
- Add or change step therapy restrictions on a drug (you must try one drug before we cover another drug).

For more information on these drug rules, refer to **Section C**.

If you take a drug that we covered at the **beginning** of the year, we generally will not remove or change coverage of that drug **during the rest of the year** unless:

- A new, cheaper drug comes on the market that works as well as a drug on our **Drug List** now, **or**
- We learn that a drug is not safe, **or**
- A drug is removed from the market.

What happens if coverage changes for a drug you are taking?

To get more information on what happens when our **Drug List** changes, you can always:

- Check our current **Drug List** online at myuhc.com/CommunityPlan **or**
- Call Member Services at the number at the bottom of the page to check our current **Drug List**.

Changes we may make to the Drug List that affect you during the current plan year.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

- **A new generic drug becomes available.** Sometimes, a new generic drug or interchangeable biosimilar version of the same biological product comes on the market that works as well as a brand name drug on our **Drug List** now. When that happens, we may remove the brand name drug or original biological product and add the new generic drug or interchangeable biosimilar version of the same biological product, but your cost for the new drug stays the same.

When we add the new generic drug, we may also decide to keep the brand name drug on the list but change its coverage rules or limits.

- We may not tell you before we make this change, but we send you information about the specific change we made once it happens. This will also include information on the steps you may take to request an exception to cover the brand name drug. You may not get this notice before we make the change.
 - You or your provider can ask for an “exception” from these changes. We send you a notice with the steps you can take to ask for an exception. Refer to **Chapter 9** of your **Member Handbook** for more information on exceptions.
- **A drug is taken off the market.** If the Food And Drug Administration (FDA) says a drug you are taking is not safe or effective or the drug’s manufacturer takes a drug off the market, we may immediately take it off the **Drug List**. If you are taking the drug, we send you a notice after we make the change. Your prescriber will know about this change and can work with you to find another drug for your condition.

We may make other changes that affect the drugs you take. We tell you in advance about these other changes to our **Drug List**. These changes might happen if:

- The FDA provides new guidance or there are new clinical guidelines about a drug.
- We add a generic drug that is not new to the market **and**
 - Replace a brand name drug currently on our **Drug List** **or**
 - Change the coverage rules or limits for the brand name drug

When these changes happen, we:

- Tell you at least 30 days before we make the change to our **Drug List** **or**
- Let you know and give you a 30-day supply of the drug after you ask for a refill.

This gives you time to talk to your doctor or other prescriber. They can help you decide:

- If there is a similar drug on our **Drug List** you can take instead **or**
- If you should ask for an exception from these changes. To learn more about asking for exceptions, refer to **Chapter 9** of your **Member Handbook**.

Changes to the Drug List that do not affect you during the current plan year

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

We may make changes to drugs you take that do not affect you now. For such changes, if you are taking a drug we covered at the **beginning** of the year, we generally do not remove or change coverage of that drug **during the rest of the year**.

For example, if we remove a drug you are taking or limit its use, then the change does not affect your use of the drug for the rest of the year.

If any of these changes happen for a drug you are taking (except for market withdrawal, a generic drug replacing a brand name drug, or other change noted in the sections above), then the change won't affect your use or what you pay as your share of the cost until January 1 of the next year. Until that date, you probably won't see any increase in your payments or any added restrictions to your use of the drug.

We will not tell you about these types of changes directly during the current plan year. You will need to check the Drug List for the next plan year (when the list is available during the open enrollment period) to see if there are any changes to the drugs you are taking that will impact you during the next plan year.

Section F Drug coverage in special cases

Section F1 In a hospital or a skilled nursing facility for a stay that our plan covers

If you are admitted to a hospital or skilled nursing facility for a stay our plan covers, we generally cover the cost of your prescription drugs during your stay. You will not pay a copay. Once you leave the hospital or skilled nursing facility, we cover your drugs as long as the drugs meet all of our coverage rules.

Section F2 In a long-term care facility

Usually, a long-term care facility, such as a nursing facility, has its own pharmacy or a pharmacy that supplies drugs for all of their residents. If you live in a long-term care facility, you may get your prescription drugs through the facility's pharmacy if it is part of our network.

Check your **Provider and Pharmacy Directory** myuhc.com/CommunityPlan to find out if your long-term care facility's pharmacy is part of our network. If it is not or if you need more information, contact Member Services. If you are in an LTC facility, we must ensure that you are able to routinely receive your Part D benefits through our network of LTC pharmacies.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

Section F3 **In a Medicare-certified hospice program**

Drugs are never covered by both hospice and our plan at the same time.

- If you are enrolled in a Medicare hospice and require certain drugs (e.g., a pain medication, anti-nausea drugs, laxative, or anti-anxiety drugs) that are not covered by your hospice because it is unrelated to your terminal prognosis and related conditions, our plan must get notification from either the prescriber or your hospice provider that the drug is unrelated before our plan can cover the drug.
- To prevent delays in getting any unrelated drugs that our plan should cover, you can ask your hospice provider or prescriber to make sure we have the notification that the drug is unrelated before you ask a pharmacy to fill your prescription.

If you leave hospice, our plan covers all of your drugs. To prevent any delays at a pharmacy when your Medicare hospice benefit ends, take documentation to the pharmacy to verify that you left hospice.

Refer to earlier parts of this chapter that tell about drugs our plan covers. Refer to **Chapter 4** of your **Member Handbook** for more information about the hospice benefit.

Section G **Programs on drug safety and managing drugs**

Section G1 **Programs to help you use drugs safely**

Each time you fill a prescription, we look for possible problems, such as drug errors or drugs that:

- May not be needed because you take another similar drug that does the same thing
- May not be safe or appropriate for your age or gender
- Certain combinations of drugs that could harm you if you take them at the same time
- Have ingredients that you are or may be allergic to
- Have unsafe amounts of opioid pain medications
- Possible errors in the amount (dosage) of a drug you are taking

If we find a possible problem in your use of prescription drugs, we work with your provider to correct the problem.

? **If you have questions**, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit **myuhc.com/CommunityPlan**.

Section G2 Programs to help you manage your drugs

Our plan has a program to help members with complex health needs. In such cases, you may be eligible to get services, at no cost to you, through a medication therapy management (MTM) program. This program is voluntary and free. This program helps you and your provider make sure that your medications are working to improve your health. If you qualify for the program, a pharmacist or other health professional will give you a comprehensive review of all of your medications and talk with you about:

- How to get the most benefit from the drugs you take
- Any concerns you have, like medication costs and drug reactions
- How best to take your medications
- Any questions or problems you have about your prescription and over-the-counter medication

Then, they will give you:

- A written summary of this discussion. The summary has a medication action plan that recommends what you can do for the best use of your medications.
- A personal medication list that includes all medications you take, how much you take, and when and why you take them.
- Information about safe disposal of prescription medications that are controlled substances.

It's a good idea to talk to your prescriber about your action plan and medication list.

- Take your action plan and medication list to your visit or anytime you talk with your doctors, pharmacists, and other health care providers.
- Take your medication list with you if you go to the hospital or emergency room.

MTM programs are voluntary and free to members who qualify. If we have a program that fits your needs, we enroll you in the program and send you information. If you do not want to be in the program, let us know, and we will take you out of it.

If you have questions about these programs, contact Member Services or your care coordinator.

Section G3 Drug management program for safe use of opioid medications

Our plan has a program that can help members safely use their prescription opioid medications and other medications that are frequently misused. This program is called a Drug Management Program (DMP).

If you use opioid medications that you get from several prescribers or pharmacies or if you had a recent opioid overdose, we may talk to your prescribers to make sure your use of opioid

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

medications is appropriate and medically necessary. Working with your prescribers, if we decide your use of prescription opioid or benzodiazepine medications is not safe, we may limit how you can get those medications. Limitations may include:

- Requiring you to get all prescriptions for those medications from certain pharmacies and/or from certain prescribers.
- Requiring you to get all your prescriptions for opioid or benzodiazepine medications from a certain prescriber(s).
- Limiting the amount of those medications we cover for you

If we think that one or more limitations should apply to you, we send you a letter in advance. The letter will tell you if we will limit coverage of these drugs for you, or if you'll be required to get the prescriptions for these drugs only from a specific provider or pharmacy.

You will have a chance to tell us which prescribers or pharmacies you prefer to use and any information you think is important for us to know. If we decide to limit your coverage for these medications after you have a chance to respond, we send you another letter that confirms the limitations.

If you think we made a mistake, you disagree that you are at risk for prescription drug misuse, or you disagree with the limitation, you and your prescriber can make an appeal. If you make an appeal, we will review your case and give you our decision. If we continue to deny any part of your appeal related to limitations to your access to these medications, we automatically send your case to an Independent Review Organization (IRO). (To learn more about appeals and the IRO, refer to **Chapter 9** of your **Member Handbook**.)

The DMP may not apply to you if you:

- Have certain medical conditions, such as cancer or sickle cell disease,
- Are getting hospice, palliative, or end-of-life care, **or**
- Live in a long-term care facility.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

Chapter 6

What you pay for your Medicare and
Turquoise Care Plan prescription drugs

Chapter 6

What you pay for your Medicare and Turquoise Care Plan prescription drugs

Introduction

This chapter tells what you pay for your outpatient prescription drugs. By “drugs,” we mean:

- Medicare Part D prescription drugs, **and**
- Drugs and items covered under Medicaid

Because you are eligible for Turquoise Care Plan you get “Extra Help” from Medicare to help pay for your Medicare Part D prescription drugs.

Extra Help is a Medicare program that helps people with limited incomes and resources reduce Medicare Part D prescription drug costs, such as premiums, deductibles, and copays. Extra Help is also called the “Low-Income Subsidy,” or “LIS.”

Other key terms and their definitions appear in alphabetical order in the last chapter of your **Member Handbook**.

To learn more about prescription drugs, you can look in these places:

- Our **List of Covered Drugs**.
 - We call this the “Drug List.” It tells you:
 - Which drugs we pay for
 - If there are any limits on the drugs
 - If you need a copy of our **Drug List**, call Member Services. You can also find the most current copy of our **Drug List** on our website at myuhc.com/CommunityPlan.
- **Chapter 5** of your **Member Handbook**.
 - It tells how to get your outpatient prescription drugs through our plan.
 - It includes rules you need to follow. It also tells which types of prescription drugs our plan does not cover.
 - When you use the plan’s “Real Time Benefit Tool” to look up drug coverage (refer to **Chapter 5, Section B2**), the cost shown is provided in “real time” meaning the cost displayed in the tool reflects a moment in time to provide an estimate of the out-of-pocket costs you are expected to pay. You can call your care coordinator or Member Services for more information.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

• Our **Provider and Pharmacy Directory**.

- In most cases, you must use a network pharmacy to get your covered drugs. Network pharmacies are pharmacies that agree to work with us.
- **The Provider and Pharmacy Directory** lists our network pharmacies. Refer to **Chapter 5** of your **Member Handbook** more information about network pharmacies.

Section A The Explanation of Benefits (EOB)

Our plan keeps track of your prescription drugs. We keep track of two types of costs:

- Your **out-of-pocket costs**. This is the amount of money you, or others on your behalf, pay for your prescriptions.
- This includes what you paid when you get a covered Part D drug, any payments for your drugs made by family or friends, any payments made for your drugs by “Extra Help” from Medicare, employer or union health plans, TRICARE, Indian Health Service, AIDS drug assistance programs, charities, and most State Pharmaceutical Assistance Programs (SPAPs).
- Your **total drug costs**. This is the total of all payments made for your covered Part D drugs. It includes what the plan paid, what you paid, and what other programs or organizations paid for your covered Part D drugs.

When you get prescription drugs through our plan, we send you a summary called the **Explanation of Benefits**. We call it the EOB for short. The EOB is not a bill. The EOB has more information about the drugs you take. The EOB includes:

- **Information for the month**. The summary tells what prescription drugs you got for the previous month. It shows the total drug costs, what we paid, and what you and others paying for you paid.
- **Year-to-date information**. This is your total drug costs and total payments made since January 1.
- **Drug price information**. This is the total price of the drug and any percentage change in the drug price since the first fill.
- **Lower cost alternatives**. When available, they appear in the summary below your current drugs. You can talk to your prescriber to find out more.

We offer coverage of drugs not covered under Medicare.

- Payments made for these drugs do not count towards your total out-of-pocket costs.
- To find out which drugs our plan covers, refer to our **Drug List**. In addition to the drugs covered under Medicare, some prescription and over-the-counter drugs are covered under Turquoise Care Plan. These drugs are included in the **Drug List**.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

Section B How to keep track of your drug costs

To keep track of your drug costs and the payments you make, we use records we get from you and from your pharmacy. Here is how you can help us:

1. Use your Member UCard.

Show your Member UCard every time you get a prescription filled. This helps us know what prescriptions you fill and what you pay.

2. Make sure we have the information we need.

Give us copies of receipts for covered drugs that you paid for. You can ask us to pay you back for the drug.

Here are some times when you should give us copies of your receipts:

- When you buy a covered drug at a network pharmacy at a special price or using a discount card that is not part of our plan's benefit
- When you pay a copay for drugs that you get under a drug maker's patient assistance program
- When you buy covered drugs at an out-of-network pharmacy

For more information about asking us to pay you back for a drug, refer to **Chapter 7** of your **Member Handbook**.

3. Send us information about payments others have made for you.

Payments made by certain other people and organizations also count toward your out-of-pocket costs. For example, payments made by an AIDS drug assistance program (ADAP), the Indian Health Service, and most charities count toward your out-of-pocket costs

4. Check the EOBs we send you.

When you get an EOB in the mail, make sure it is complete and correct.

- **Do you recognize the name of each pharmacy?** Check the dates. Did you get drugs that day?
- **Did you get the drugs listed?** Do they match those listed on your receipts? Do the drugs match what your doctor prescribed?

With our plan, you pay nothing for covered drugs as long as you follow our rules.

Important message about what you pay for covered insulin – You will pay a maximum of \$0 for each 1-month supply of Part D covered insulin drug.

Section C1 Getting a long-term supply of a drug

For some drugs, you can get a long-term supply (also called an “extended supply”) when you fill your prescription. A long-term supply is up to a 100-day supply. There is no cost to you for a long-term supply.

For details on where and how to get a long-term supply of a drug, refer to **Chapter 5** of your **Member Handbook** or our **Provider and Pharmacy Directory**.

Section D Vaccinations

Important Message About What You Pay for Vaccines: Some vaccines are considered medical benefits and are covered under Medicare Part B. Other vaccines are considered Medicare Part D drugs. You can find these vaccines listed in the plan's **List of Covered Drugs (Formulary)**. Our plan covers most adult Medicare Part D vaccines at no cost to you. Refer to your plan's **List of Covered Drugs (Formulary)** or contact Member Services for coverage and cost sharing details about specific vaccines.

There are two parts to our coverage of Medicare Part D vaccinations:

1. The first part of coverage is for the cost of **the vaccine itself**. The vaccine is a prescription drug.
2. The second part of coverage is for the cost of **giving you the vaccine**. For example, sometimes you may get the vaccine as a shot given to you by your doctor.

Section D1 What you need to know before you get a vaccination

We recommend that you call Member Services if you plan to get a vaccination.

We can tell you about how our plan covers your vaccination

Chapter 7

Asking us to pay a bill you got
for covered services or drugs

Chapter 7

Asking us to pay a bill you have received for covered services or drugs

Introduction

This chapter tells you how and when to send us a bill to ask for payment. It also tells you how to make an appeal if you do not agree with a coverage decision. Key terms and their definitions appear in alphabetical order in the last chapter of your **Member Handbook**.

Section A	Asking us to pay for your services or drugs	173
Section B	Sending us a request for payment	175
Section C	Coverage decisions	176
Section D	Appeals	177

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

Section A Asking us to pay for your services or drugs

You should not get a bill for in-network services or drugs. Our network providers must bill the plan for your covered services and drugs after you get them. A network provider is a provider who works with the health plan.

We do not allow UHC Dual Complete NM-Y1 (PPO D-SNP) providers to bill you for these services or drugs. We pay our providers directly, and we protect you from any charges.

If you get a bill for the full cost of health care or drugs, do not pay the bill and send the bill to us. To send us a bill, refer to **Section B**.

- If we cover the services or drugs, we will pay the provider directly.
- If we cover the services or drugs and you already paid, it is your right to be paid back.
- If you paid for services covered by Medicare, we will pay you back.
- If you paid for services covered by Turquoise Care Plan that are not covered by this program (for example, some community-based behavioral health services) we can't pay you back, but the provider will. Member Services or your care coordinator can help you contact the provider's office. Refer to the bottom of the page for the Member Services phone number.
- If we do not cover the services or drugs, we will tell you.

Contact Member Services or your care coordinator if you have any questions. If you get a bill and you don't know what to do about it, we can help. You can also call if you want to tell us information about a request for payment you already sent to us.

Here are examples of times when you may need to ask us to pay you back or to pay a bill you got:

1. When you get emergency or urgently needed health care from an out-of-network provider

Ask the provider to bill us.

- If you pay the full amount when you get the care, ask us to pay you back. Send us the bill and proof of any payment you made.
- You may get a bill from the provider asking for payment that you think you don't owe. Send us the bill and proof of any payment you made.
 - If the provider should be paid, we will pay the provider directly.
 - If you already paid for the Medicare service, we will pay you back.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

2. When a network provider sends you a bill

Network providers must always bill us. It's important to show your member UCard when you get any services or prescriptions. But sometimes they make mistakes, and ask you to pay for your services or more than your share of the costs. **Call Member Services** or your care coordinator at the number at the bottom of this page **if you get any bills**.

- Because we pay the entire cost for your services, you are not responsible for paying any costs. Providers should not bill you anything for these services.
- Whenever you get a bill from a network provider, send us the bill. We will contact the provider directly and take care of the problem.
- If you already paid a bill from a network provider for Medicare-covered services, send us the bill and proof of any payment you made. We will pay you back for your covered services.

3. If you are retroactively enrolled in our plan

Sometimes your enrollment in the plan can be retroactive. (This means that the first day of your enrollment has passed. It may have even been last year.)

- If you were enrolled retroactively and you paid a bill after the enrollment date, you can ask us to pay you back.
- Send us the bill and proof of any payment you made.

4. When you use an out-of-network pharmacy to get a prescription filled

If you use an out-of-network pharmacy, you pay the full cost of your prescription.

- In only a few cases, we will cover prescriptions filled at out-of-network pharmacies. Send us a copy of your receipt when you ask us to pay you back. We may not pay you back the difference between what you paid for the drug at the out-of-network pharmacy and the amount that we would pay at an in-network pharmacy.
- Refer to **Chapter 5** of your **Member Handbook** to learn more about out-of-network pharmacies.

5. When you pay the full prescription cost because you don't have your member UCard with you

If you don't have your member UCard with you, you can ask the pharmacy to call us or look up your plan enrollment information.

- If the pharmacy can't get the information right away, you may have to pay the full prescription cost yourself or return to the pharmacy with your member UCard.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

- Send us a copy of your receipt when you ask us to pay you back. We may not pay you back the full cost you paid if the cash price you paid is higher than our negotiated price for the prescription.

6. When you pay the full prescription cost for a drug that's not covered

You may pay the full prescription cost because the drug isn't covered.

- The drug may not be on our **List of Covered Drugs (Drug List)** on our website, or it may have a requirement or restriction that you don't know about or don't think applies to you. If you decide to get the drug immediately, you may need to pay the full cost.
 - If you don't pay for the drug but think we should cover it, you can ask for a coverage decision (refer to **Chapter 9** of your **Member Handbook**).
 - If you and your doctor or other prescriber think you need the drug right away, (within 24 hours), you can ask for a fast coverage decision (refer to **Chapter 9** of your **Member Handbook**).
- Send us a copy of your receipt when you ask us to pay you back. In some cases, we may need to get more information from your doctor or other prescriber to pay you back for the drug. We may not pay you back the full cost you paid if the price you paid is higher than our negotiated price for the prescription.

When you send us a request for payment, we review it and decide whether the service or drug should be covered. This is called making a "coverage decision." If we decide the service or drug should be covered, we pay for it.

If we deny your request for payment, you can appeal our decision. To learn how to make an appeal, refer to **Chapter 9** of your **Member Handbook**.

Section B Sending us a request for payment

Send us your bill and proof of any payment you made for Medicare services or call us. Proof of payment can be a copy of the check you wrote or a receipt from the provider. **It's a good idea to make a copy of your bill and receipts for your records.** You can ask your care coordinator for help. You must submit your medical or Medicaid over the counter prescription claim to us within 12 months of the date you received the service, item, or drug. You must submit your prescription drug claim to us within 36 months of the date you received the service, item, or drug.

To make sure you give us all the information we need to decide, you can fill out our claim form to ask for payment.

- You aren't required to use the form, but it helps us process the information faster.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit **myuhc.com/CommunityPlan**.

- You can get the form on our website (myuhc.com/CommunityPlan), or you can call Member Services and ask for the form.

Mail your request for payment together with any bills or receipts to this address:

Part D Prescription drug payment requests:

OptumRx

P.O. Box 650287

Dallas, TX 75265-0287

Medical claims payment requests:

UnitedHealthcare

You must submit your Part C (medical) claim to us within 12 months of the date you received the service, item, or Part B drug.

You must submit your Part D (prescription drug) claim to us within 36 months of the date you received the service, item, or drug.

Section C Coverage decisions

When we get your request for payment, we make a coverage decision. This means that we decide if our plan covers your service, item, or drug. We also decide the amount of money, if any, you must pay.

- We will let you know if we need more information from you.
- If we decide that our plan covers the service, item, or drug and you followed all the rules for getting it, we will pay for it. If you already paid for the service or drug, we will mail you a check for what you paid. If you haven't paid, we will pay the provider directly.

Chapter 3 of your **Member Handbook** explains the rules for getting your services covered.

Chapter 5 of your **Member Handbook** explains the rules for getting your Medicare Part D prescription drugs covered.

- If we decide not to pay for the service or drug, we will send you a letter with the reasons. The letter also explains your rights to make an appeal.
- To learn more about coverage decisions, refer to **Chapter 9**.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

Section D Appeals

If you think we made a mistake in turning down your request for payment, you can ask us to change our decision. This is called “making an appeal.” You can also make an appeal if you don’t agree with the amount we pay.

The formal appeals process has detailed procedures and deadlines. To learn more about appeals, refer to **Chapter 9** of your **Member Handbook**:

- To make an appeal about getting paid back for a health care service, refer to **Section F**.

To learn what to do if a network provider tries to charge you for covered services, refer to **Chapter 7** of your **Member Handbook**.

Section G Your right to make decisions about your health care

You have the right to full information from your doctors and other health care providers to help you make decisions about your health care.

Section G1 Your right to know your treatment choices and make decisions

Your providers must explain your condition and your treatment choices in a way that you can understand. You have the right to:

- **Know your choices.** You have the right to be told about all treatment options that are recommended for your condition, no matter what they cost or whether they are covered by our plan. It also includes being told about programs our plan offers to help members manage their medications and use drugs safely.
- **Know the risks.** You have the right to be told about any risks involved. We must tell you in advance if any service or treatment is part of a research experiment. You have the right to refuse experimental treatments.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

- **Get a second opinion.** You have the right to use another doctor before deciding on treatment.
- **Say no.** You have the right to refuse any treatment. This includes the right to leave a hospital or other medical facility, even if your doctor advises you not to.

You have the right to stop taking a prescribed drug. If you refuse treatment or stop taking a prescribed drug, we will not drop you from our plan. However, if you refuse treatment or stop taking a drug, you accept full responsibility for what happens to you.

- **Ask us to explain why a provider denied care.** You have the right to get an explanation from us if a provider denied care that you think you should get.
- **Ask us to cover a service or drug that we denied or usually don't cover.** This is called a coverage decision. **Chapter 9** of your **Member Handbook** tells how to ask us for a coverage decision.

Section G2 **Your right to say what you want to happen if you are unable to make health care decisions for yourself**

Sometimes people are unable to make health care decisions for themselves. Before that happens to you, you can:

- Fill out a written form **giving someone the right to make health care decisions for you.**
- **Give your doctors written instructions** about how to handle your health care if you become unable to make decisions for yourself, including care you do **not** want.

The legal document that you use to give your directions is called an “advance directive.” There are different types of advance directives and different names for them. Examples are a living will and a power of attorney for health care.

You are not required to have an advance directive, but you can. Here's what to do if you want to use an advance directive:

- **Get the form.** You can get the form from your doctor, a lawyer, a legal services agency, or a social worker. Pharmacies and provider offices often have the forms. You can find a free form online and download it. You can also contact Member Services to ask for the forms.
- **Fill out the form and sign it.** The form is a legal document. You should consider having a lawyer or someone else you trust, such as a family member or your PCP, help you complete it.
- **Give copies to people who need to know.** You should give a copy of the form to your doctor. You should also give a copy to the person you name to make decisions for you. You may want to give copies to close friends or family members. Keep a copy at home.
- If you are being hospitalized and you have a signed advance directive, **take a copy of it to the hospital.**

? **If you have questions,** please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208, TTY 711, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept.** The call is free. For more information, visit **myuhc.com/CommunityPlan**.

- The hospital will ask if you have a signed advance directive form and if you have it with you.
- If you don't have a signed advance directive form, the hospital has forms and will ask if you want to sign one.

You have the right to:

- Receive information on advance directives and choose not to have or continue any life-sustaining treatment.
- Have your advance directive placed in your medical records.
- Change or cancel your advance directive at any time.

Call Member Services for more information.

A Release of Information (ROI), an Advance Directive (AD), and a Power of Attorney (POA) all require mental capacity for creating and signing the documents.

ADs & POAs require:

- Signature of the Member in front of a notary. If there's no notary on the document, it's not valid.

ROIs:

- Can be signed by an authorized POA instead of the member (the POA must be of sound mental health, as well)
- Are only good for 1 full year unless dated for less.

ADs and POAs bear the following additional requirements:

- The POA/AD goes into effect the moment it's signed and notarized; OR
- The POA/AD goes into effect when the member becomes incapacitated or unable to direct their own care/finances/etc.
- This scenario will require an accompanying statement, also notarized, from a medical or mental health professional stating when the incapacitation/inability became effective, what the incapacitation/inability is, and it is their professional/medical opinion that the POA/AD qualifications to take effect are present.

Section G3 What to do if your instructions are not followed

If you signed an advance directive and you think a doctor or hospital did not follow the instructions in it, you can make a complaint with the UnitedHealth Group Call Center at **1-866-633-2446**, or **TTY 711**.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, **TTY 711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

You may also send a written complaint to:

UnitedHealthcare Privacy Office
MN017-E300, P.O. Box 1459
Minneapolis, MN 55440

Section H Your right to make complaints and ask us to reconsider our decisions

Chapter 9 of your **Member Handbook** tells you what you can do if you have any problems or concerns about your covered services or care. For example, you can ask us to make a coverage decision, make an appeal to change a coverage decision, or make a complaint.

You have the right to get information about appeals and complaints that other plan members have filed against us. Call Member Services to get this information.

Section A What to do if you have a problem or concern

This chapter explains how to handle problems and concerns. The process you use depends on the type of problem you have. Use one process for **coverage decisions and appeals** and another for **making complaints**; also called grievances.

To ensure fairness and promptness, each process has a set of rules, procedures, and deadlines that we and you must follow.

Section A1 About the legal terms

There are legal terms in this chapter for some rules and deadlines. Many of these terms can be hard to understand, so we use simpler words in place of certain legal terms when we can. We use abbreviations as little as possible.

For example, we say:

- “Making a complaint” instead of “filing a grievance”
- “Coverage decision” instead of “organization determination”, “benefit determination”, “at-risk determination”, or “coverage determination”
- “Fast coverage decision” instead of “expedited determination”
- “Independent Review Organization” (IRO) instead of “Independent Review Entity” (IRE)

Knowing the proper legal terms may help you communicate more clearly, so we provide those too.

Section B Where to get help

Section B1 For more information and help

Sometimes it’s confusing to start or follow the process for dealing with a problem. This can be especially true if you don’t feel well or have limited energy. Other times, you may not have the information you need to take the next step.

Help from the New Mexico Benefits Counseling Program SHIP

You can call the NM SHIP. NM SHIP counselors can answer your questions and help you understand what to do about your problem. NM SHIP is not connected with us or with any insurance company or health plan. NM SHIP has trained counselors and services are free. The NM SHIP phone number is **1-800-432-2080**.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

Help and information from Medicare

For more information and help, you can contact Medicare. Here are two ways to get help from Medicare:

- Call **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. TTY users call **1-877-486-2048**.
- Visit the Medicare website ([medicare.gov](https://www.medicare.gov)).

Help and information from Turquoise Care Plan Dual Complete Support

For more information you can contact Turquoise Care Plan Dual Complete Support line at **1-800-283-4465**, 8 a.m.–5 p.m. MT, Monday–Friday.

You can contact the LTC Ombudsman program at **1-866-451-2901**. Calls are responded to within 24 hours or the next business day.

Section C Understanding Medicare and Turquoise Care Plan complaints and appeals in our plan

You have Medicare and Turquoise Care Plan. Information in this chapter applies to **all** of your Medicare and Turquoise Care Plan benefits. This is sometimes called an “integrated process” because it combines, or integrates, Medicare and Turquoise Care Plan processes.

Sometimes Medicare and Turquoise Care Plan processes cannot be combined. In those situations, you use one process for a Medicare benefit and another process for a Turquoise Care Plan benefit.

Section F4 explains these situations.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

Section D Problems with your benefits

If you have a problem or concern, read the parts of this chapter that apply to your situation. The following chart helps you find the right section of this chapter for problems or complaints.

Is your problem or concern about your benefits or coverage?	
This includes problems about whether particular medical care (medical items, services and/or Part B prescription drugs) are covered or not, the way in which they are covered, and problems related to payment for medical care.	
Yes. My problem is about benefits or coverage. Refer to Section E , “Coverage decisions and appeals.”	No. My problem is not about benefits or coverage. Refer to Section K , “How to make a complaint.”

Section E Coverage decisions and appeals

The process for asking for coverage decisions and making appeals deals with problems related to your benefits and coverage for your medical care (services, items and Part B prescription drugs, including payment). To keep things simple we generally refer to medical items, services, and Part B prescription drugs as medical care. You use the coverage decision and appeals process for issues such as whether something is covered or not and the way in which something is covered.

Section E1 Coverage decisions

A coverage decision is a decision we make about your benefits and coverage or about the amount we pay for your medical services or drugs. For example, if your plan network provider refers you to a medical specialist outside of the network, this referral is considered a favorable decision unless either your network provider can show that you received a standard denial notice for this medical specialist, or the referred service is never covered under any condition (refer to **Chapter 4, Section H** of your **Member Handbook**.)

You or your doctor can also contact us and ask for a coverage decision. You or your doctor may be unsure whether we cover a specific medical service or if we may refuse to provide medical care you think you need. **If you want to know if we will cover a medical service before you get it, you can ask us to make a coverage decision for you.**

? **If you have questions**, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208, TTY 711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

We make a coverage decision whenever we decide what is covered for you and how much we pay. In some cases, we may decide a service or drug is not covered or is no longer covered for you by Medicare or Turquoise Care Plan. If you disagree with this coverage decision, you can make an appeal.

Section E2 Appeals

If we make a coverage decision and you are not satisfied with this decision, you can “appeal” the decision. An appeal is a formal way of asking us to review and change a coverage decision we have made.

When you appeal a decision for the first time, this is called a Level 1 Appeal. In this appeal, we review the coverage decision we made to check if we followed all rules properly. Different reviewers than those who made the original unfavorable decision handle your appeal.

When we complete the review, we give you our decision. Under certain circumstances, explained later in this chapter, you can ask for an expedited or “fast coverage decision” or “fast appeal” of a coverage decision.

If we say **No** to part or all of what you asked for, we will send you a letter. If your problem is about coverage of a Medicare medical service or item or Part B drugs, the letter will tell you that we sent your case to the Independent Review Organization (IRO) for a Level 2 Appeal. If your problem is about coverage of a Medicare Part D or Medicaid service or item, the letter will tell you how to file a Level 2 Appeal yourself. Refer to **Section F4** for more information about Level 2 Appeals. If your problem is about coverage of a service or item covered by both Medicare and Medicaid, the letter will give you information regarding both types of Level 2 Appeals.

If you are not satisfied with the Level 2 Appeal decision, you may be able to go through additional levels of appeal.

Section E3 Help with coverage decisions and appeals

You can ask for help from any of the following:

- **Member Services** at the numbers at the bottom of the page.
- New Mexico Benefits Counseling Program SHIP at **1-800-432-2080**.
- **Your doctor or other provider.** Your doctor or other provider can ask for a coverage decision or appeal on your behalf.
- **A friend or family member.** You can name another person to act for you as your “representative” and ask for a coverage decision or make an appeal.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

- **A lawyer.** You have the right to a lawyer, but **you are not required to have a lawyer** to ask for a coverage decision or make an appeal.
 - Call your own lawyer, or get the name of a lawyer from the local bar association or other referral service. Some legal groups will give you free legal services if you qualify.
- **The Office of New Mexico Ombudsman Program** at **1-800-432-2080**.
- **The Office of the New Mexico LTC Ombudsman** at **1-866-451-2901**.

Fill out the Appointment of Representative form if you want a lawyer or someone else to act as your representative. The form gives someone permission to act for you.

Call Member Services at the numbers at the bottom of the page and ask for the “Appointment of Representative” form. You can also get the form by visiting cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf or on our website myuhc.com/CommunityPlan. **You must give us a copy of the signed form.**

Section E4 **Which section of this chapter can help you**

There are four situations that involve coverage decisions and appeals. Each situation has different rules and deadlines. We give details for each one in a separate section of this chapter.

Refer to the section that applies:

- **Section F**, “Medical care”
- **Section G**, “Medicare Part D prescription drugs”
- **Section H**, “Asking us to cover a longer hospital stay”
- **Section I**, “Asking us to continue covering certain medical services” (This section only applies to these services: home health care, skilled nursing facility care, and Comprehensive Outpatient Rehabilitation Facility (CORF) services.)

If you’re not sure which section to use, call Member Services at the numbers at the bottom of the page. You can also get help or information from government organizations such as your State Health Insurance Program.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

Section F Medical care

This section explains what to do if you have problems getting coverage for medical care or if you want us to pay you back for your care.

This section is about your benefits for medical care that are described in **Chapter 4** of your **Member Handbook**. We generally refer to “medical care coverage” or “medical care” in the rest of this section. The term “medical care” includes medical services and items as well as Medicare Part B prescription drugs which are drugs administered by your doctor or health care professional. Different rules may apply to a Medicare Part B prescription drug. When they do, we explain how rules for Medicare Part B prescription drugs differ from rules for medical services and items.

Section F1 Using this section

This section explains what you can do in any of the five following situations:

1. You think we cover medical care you need but are not getting.

What you can do: You can ask us to make a coverage decision. Refer to **Section F2**.

2. We didn't approve the medical care your doctor or other health care provider wants to give you, and you think we should.

What you can do: You can appeal our decision. Refer to **Section F3**.

3. You got medical care that you think we cover, but we will not pay.

What you can do: You can appeal our decision not to pay. Refer to **Section F5**.

4. You got and paid for medical care you thought we cover, and you want us to pay you back.

What you can do: You can ask us to pay you back. Refer to **Section F5**.

5. We reduced or stopped your coverage for certain medical care, and you think our decision could harm your health.

What you can do: You can appeal our decision to reduce or stop the medical care. Refer to **Section F4**.

- If the coverage is for hospital care, home health care, skilled nursing facility care, or CORF services, special rules apply. Refer to **Section H** or **Section I** to find out more.
- For all other situations involving reducing or stopping your coverage for certain medical care, use this section (**Section F**) as your guide.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

Section F2 Asking for a coverage decision

When a coverage decision involves your medical care, it's called an **“integrated organization determination.”**

You, your doctor, or your representative can ask us for a coverage decision by:

- Calling: **1-866-393-0208**, TTY: **711**.
- Faxing: **1-888-950-1169**
- Writing:

UnitedHealthcare Member Services Department (Coverage Determination)
P.O. Box 30769
Salt Lake City, UT 84130-0769

Appeals and Grievance Department (Medical appeals)
P.O. Box 6106, MS CA 120-0360
Cypress, CA 90630-0016

Part D Appeal and Grievance Department (Prescription appeals)
P.O. Box 6106, MS CA 120-0368
Cypress, CA 90630-0016

Standard coverage decision

When we give you our decision, we use the “standard” deadlines unless we agree to use the “fast” deadlines. A standard coverage decision means we give you an answer about a:

- Medical service or item within 14 calendar days after we get your request.
- Medicare Part B prescription drug within 72 hours after we get your request.

For a medical item or service, we can take up to 14 more calendar days if you ask for more time or if we need more information that may benefit you (such as medical records from out-of-network providers). If we take extra days to make the decision, we will tell you in writing. **We can't take extra days if your request is for a Medicare Part B prescription drug.**

If you think we should **not** take extra days, you can make a “fast complaint” about our decision to take extra days. When you make a fast complaint, we give you an answer to your complaint within 24 hours. The process for making a complaint is different from the process for coverage decisions and appeals. For more information about making a complaint, including a fast complaint, refer to **Section K**.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

Fast coverage decision

The legal term for “fast coverage decision” is “**expedited determination.**”

When you ask us to make a coverage decision about your medical care and your health requires a quick response, ask us to make a “fast coverage decision.” A fast coverage decision means we will give you an answer about a:

- Medical service or item within 72 hours after we get your request.
- Medicare Part B prescription drug within 24 hours after we get your request.

For a medical item or service, we can take up to 14 more calendar days if we find information that may benefit you is missing (such as medical records from out-of-network providers) or if you need time to get us information for the review. If we take extra days to make the decision, we will tell you in writing. **We can’t take extra time if your request is for a Medicare Part B prescription drug.**

If you think we should **not** take extra days to make the coverage decision, you can make a “fast complaint” about our decision to take extra days. For more information about making a complaint, including a fast complaint, refer to **Section K**. We will call you as soon as we make the decision.

To get a fast coverage decision, you must meet two requirements:

- You are asking for coverage for medical items and/or services that you **did not get**. You can’t ask for a fast coverage decision about payment for items or services you already got.
- Using the standard deadlines **could cause serious harm to your health** or hurt your ability to function.

We automatically give you a fast coverage decision if your doctor tells us your health requires it. If you ask without your doctor’s support, we decide if you get a fast coverage decision.

- If we decide that your health doesn’t meet the requirements for a fast coverage decision, we send you a letter that says so and we use the standard deadlines instead. The letter tells you:
 - We automatically give you a fast coverage decision if your doctor asks for it.
 - How you can file a “fast complaint” about our decision to give you a standard coverage decision instead of a fast coverage decision. For more information about making a complaint, including a fast complaint, refer to **Section K**.

If we say No to part or all of your request, we send you a letter explaining the reasons.

- If we say **No**, you have the right to make an appeal. If you think we made a mistake, making an appeal is a formal way of asking us to review our decision and change it.
- If you decide to make an appeal, you will go on to Level 1 of the appeals process (refer to **Section F3**).

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208, TTY 711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

In limited circumstances we may dismiss your request for a coverage decision, which means we won't review the request. Examples of when a request will be dismissed include:

- If the request is incomplete,
- If someone makes the request on your behalf but isn't legally authorized to do so, **or**
- If you ask for your request to be withdrawn.

If we dismiss a request for a coverage decision, we will send you a notice explaining why the request was dismissed and how to ask for a review of the dismissal. This review is called an appeal. Appeals are discussed in the next section.

Section F3 Making a Level 1 Appeal

To start an appeal, you, your doctor, or your representative must contact us. Call us at **1-866-393-0208, TTY 711**.

Ask for a standard appeal or a fast appeal in writing or by calling us at **1-866-393-0208**.

- If your doctor or other prescriber asks to continue a service or item you are already getting during your appeal, you may need to name them as your representative to act on your behalf.
- If someone other than your doctor makes the appeal for you, include an Appointment of Representative form authorizing this person to represent you. You can get the form by visiting [cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf](https://www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf) or on our website at myuhc.com/CommunityPlan.
- We can accept an appeal request without the form, but we can't begin or complete our review until we get it. If we don't get the form within 44 calendar days after getting your appeal request:
 - We dismiss your request, and
 - We send you a written notice explaining your right to ask the IRO to review our decision to dismiss your appeal.
- You must ask for an appeal within 60 calendar days from the date on the letter we sent to tell you our decision.
- If you miss the deadline and have a good reason for missing it, we may give you more time to make your appeal. Examples of good reasons are things like you had a serious illness or we gave you the wrong information about the deadline. Explain the reason why your appeal is late when you make your appeal.
- You have the right to ask us for a free copy of the information about your appeal. You and your doctor may also give us more information to support your appeal.

? **If you have questions**, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208, TTY 711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

If your health requires it, ask for a fast appeal.

The legal term for “fast appeal” is “**expedited reconsideration.**”

- If you appeal a decision we made about coverage for care that you did not get, you and/or your doctor decide if you need a fast appeal.

We automatically give you a fast appeal if your doctor tells us your health requires it. If you ask without your doctor’s support, we decide if you get a fast appeal.

- If we decide that your health doesn’t meet the requirements for a fast appeal, we send you a letter that says so and we use the standard deadlines instead. The letter tells you:
 - We automatically give you a fast appeal if your doctor asks for it.
 - How you can file a “fast complaint” about our decision to give you a standard appeal instead of a fast appeal. For more information about making a complaint, including a fast complaint, refer to **Section K**.

If we tell you we are stopping or reducing services or items that you already get, you may be able to continue those services or items during your appeal.

- If we decide to change or stop coverage for a service or item that you get, we send you a notice before we take action.
- If you disagree with our decision, you can file a Level 1 Appeal.
- We continue covering the service or item if you ask for a Level 1 Appeal within 10 calendar days of the date on our letter or by the intended effective date of the action, whichever is later.
 - If you meet this deadline, you will get the service or item with no changes while your Level 1 appeal is pending.
 - You will also get all other services or items (that are not the subject of your appeal) with no changes.
 - If you do not appeal before these dates, then your service or item will not be continued while you wait for your appeal decision.

We consider your appeal and give you our answer.

- When we review your appeal, we take another careful look at all information about your request for coverage of medical care.
- We check if we followed all the rules when we said **No** to your request.
- We gather more information if we need it. We may contact you or your doctor to get more information.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

There are deadlines for a fast appeal.

- When we use the fast deadlines, we must give you our answer **within 72 hours after we get your appeal**. We will give you our answer sooner if your health requires it.
- If you ask for more time or if we need more information that may benefit you, we **can take up to 14 more calendar days** if your request is for a medical item or service.
 - If we need extra days to make the decision, we tell you in writing.
 - If your request is for a Medicare Part B prescription drug, we can't take extra time to make the decision.
 - If we don't give you an answer within 72 hours or by the end of the extra days we took, we must send your request to Level 2 of the appeals process. An IRO then reviews it. Later in this chapter, we tell you about this organization and explain the Level 2 appeals process.
- You must exhaust the UnitedHealthcare Community Plan appeal process prior to requesting a State Fair Hearing.
- You may have the right to request that you continue getting the services in question while your appeal with UnitedHealthcare Community Plan or your Fair Hearing with the State of NM HSD is in process. You have the right to receive continued benefits only if these conditions are met:
 - You must request an appeal and ask for your benefits to continue within 10 calendar days from the date the Notice of Action letter was mailed. If you asked for your benefits to continue during the appeal process, and received approval, your benefits will automatically continue through the Fair Hearing process. Should you choose to discontinue your benefit during the Fair Hearing process, you must contact UnitedHealthcare to end services.
- Please be aware, if the result of the appeal or Fair Hearing is not in your favor you may have to pay for the services received.
- All members can file an appeal through these processes. You may file an appeal over the phone with Member Services at **1-877-236-0826, TTY 711**.
- You may file appeals online at member.uhc.com/CommunityPlan.
- You may also file a written appeal by sending it to:

- **If we say No to part or all of your request**, we send your appeal to the IRO for a Level 2 Appeal. The IRO will notify you in writing when it receives your appeal.

There are deadlines for a standard appeal.

- When we use the standard deadlines, we must give you our answer **within 30 calendar days** after we get your appeal for coverage for services you didn't get.
- If your request is for a Medicare Part B prescription drug you didn't get, we give you our answer **within 7 calendar days** after we get your appeal or sooner if your health requires it.
- If you ask for more time or if we need more information that may benefit you, we **can take up to 14 more calendar days** if your request is for a medical item or service.
 - If we need extra days to make the decision, we tell you in writing.
 - If your request is for a Medicare Part B prescription drug, we can't take extra time to make the decision.
 - If you think we should **not** take extra days, you can file a fast complaint about our decision. When you file a fast complaint, we give you an answer within 24 hours. For more information about making complaints, including fast complaints, refer to **Section K**.
 - If we don't give you an answer by the deadline or by the end of the extra days we took, we must send your request to Level 2 of the appeals process. An IRO then reviews it. Later in this chapter, we tell you about this organization and explain the Level 2 appeals process.

If we say Yes to part or all of your request, we must authorize or provide the coverage we agreed to provide within 30 calendar days, or **within 7 calendar days** if your request is for a Medicare Part B prescription drug, after we get your appeal.

If we say **No** to part or all of your request, **you have additional appeal rights**:

- If we say **No** to part or all of what you asked for, we send you a letter.
- If your problem is about coverage of a Medicare service or item, the letter tells you that we sent your case to the IRO for a Level 2 Appeal.
- If your problem is about coverage of a Turquoise Care Plan service or item, the letter tells you how to file a Level 2 Appeal yourself.

Section F4 Making a Level 2 Appeal

If we say **No** to part or all of your Level 1 Appeal, we send you a letter. This letter tells you if Medicare, Turquoise Care Plan, or both programs usually cover the service or item.

- If your problem is about a service or item that Medicare usually covers, we automatically send your case to Level 2 of the appeals process as soon as the Level 1 Appeal is complete.
- If your problem is about a service or item that Turquoise Care Plan usually covers, you can file a Level 2 Appeal yourself. The letter tells you how to do this. We also include more information later in this chapter.
- If your problem is about a service or item that **both Medicare and** Turquoise Care Plan may cover, you automatically get a Level 2 Appeal with the IRO. You can also ask for a Fair Hearing with the State.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit **myuhc.com/CommunityPlan**.

If you qualified for continuation of benefits when you filed your Level 1 Appeal, your benefits for the service, item, or drug under appeal may also continue during Level 2. Refer to **Section F3** for information about continuing your benefits during Level 1 Appeals.

- If your problem is about a service usually covered only by Medicare, your benefits for that service don't continue during the Level 2 appeals process with the IRO.
- If your problem is about a service usually covered only by Turquoise Care Plan, your benefits for that service continue if you submit a Level 2 Appeal within 10 calendar days after getting our decision letter.

When your problem is about a service or item Medicare usually covers

The IRO reviews your appeal. It's an independent organization hired by Medicare.

The formal name for the "Independent Review Organization" (IRO) is the "**Independent Review Entity**", sometimes called the "**IRE**".

-
- This organization isn't connected with us and isn't a government agency. Medicare chose the company to be the IRO, and Medicare oversees their work.
 - We send information about your appeal (your "case file") to this organization. You have the right to a free copy of your case file.
 - You have a right to give the IRO additional information to support your appeal.
 - Reviewers at the IRO take a careful look at all information related to your appeal.

If you had a fast appeal at Level 1, you also have a fast appeal at Level 2.

- If you had a fast appeal to us at Level 1, you automatically get a fast appeal at Level 2. The IRO must give you an answer to your Level 2 Appeal **within 72 hours** of getting your appeal.
- If your request is for a medical item or service and the IRO needs to gather more information that may benefit you, **it can take up to 14 more calendar days**. The IRO can't take extra time to make a decision if your request is for a Medicare Part B prescription drug.

If you had a standard appeal at Level 1, you also have a standard appeal at Level 2.

- If you had a standard appeal to us at Level 1, you automatically get a standard appeal at Level 2.
- If your request is for a medical item or service, the IRO must give you an answer to your Level 2 Appeal **within 30 calendar days** of getting your appeal.
- If your request is for a Medicare Part B prescription drug, the IRO must give you an answer to your Level 2 Appeal **within 7 calendar days** of getting your appeal.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

- If your request is for a medical item or service and the IRO needs to gather more information that may benefit you, **it can take up to 14 more calendar days**. The IRO take extra time to make a decision if your request is for a Medicare Part B prescription drug.

The IRO gives you their answer in writing and explains the reasons.

- **If the IRO says Yes to part or all of a request for a medical item or service**, we must:
 - Authorize the medical care coverage **within 72 hours**, or
 - Provide the service within **14 calendar days** after we get the IRO’s decision for **standard requests**, or
 - Provide the service **within 72 hours** from the date we get the IRO’s decision for **expedited requests**.
- **If the IRO says Yes to part or all of a request for a Medicare Part B prescription drug, we must authorize or provide the Medicare Part B prescription drug under dispute:**
 - **Within 72 hours** after we get the IRO’s decision for **standard requests**, or
 - **Within 24 hours** from the date we get the IRO’s decision for **expedited requests**.
- **If the IRO says No to part or all of your appeal**, it means they agree that we should not approve your request (or part of your request) for coverage for medical care. This is called “upholding the decision” or “turning down your appeal.”
 - If your case meets the requirements, you choose whether you want to take your appeal further.
 - There are three additional levels in the appeals process after Level 2, for a total of five levels.
 - If your Level 2 Appeal is turned down and you meet the requirements to continue the appeals process, you must decide whether to go on to Level 3 and make a third appeal. The details about how to do this are in the written notice you get after your Level 2 Appeal.
 - An Administrative Law Judge (ALJ) or attorney adjudicator handles a Level 3 Appeal. Refer to **Section J** for more information about Level 3, 4, and 5 Appeals.

When your problem is about a service or item Medicaid usually covers, or that is covered by both Medicare and Turquoise Care Plan

A Level 2 Appeal for services that Turquoise Care Plan usually covers is a Fair Hearing with the State. In the State a Fair Hearing is filed with State’s Office of Administrative Hearings. You must ask for a Fair Hearing in writing or by phone **within 120 calendar days** of the date we sent the decision letter on your Level 1 Appeal. The letter you get from us tells you where to submit your request for a Fair Hearing.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

The Fair Hearing office gives you their decision in writing and explain the reasons.

- If the Fair Hearing office says **Yes** to part or all of a request for a medical item or service, we must authorize or provide the service or item **within 72 hours** after we get their decision.
- If the Fair Hearing office says **No** to part or all of your appeal, it means they agree that we should not approve your request (or part of your request) for coverage for medical care. This is called “upholding the decision” or “turning down your appeal.”

If the IRO or Fair Hearing office decision is **No** for all or part of your request, you have additional appeal rights.

If your Level 2 Appeal went to the **IRO**, you can appeal again only if the dollar value of the service or item you want meets a certain minimum amount. An ALJ or attorney adjudicator handles a Level 3 Appeal. **The letter you get from the IRO explains additional appeal rights you may have.**

The letter you get from the Fair Hearing office describes the next appeal option.

Refer to **Section J** for more information about your appeal rights after Level 2.

Section F5 **Payment problems**

We do not allow our network providers to bill you for covered services and items. This is true even if we pay the provider less than the provider charges for a covered service or item. You are never required to pay the balance of any bill.

If you get a bill for covered services and items, send the bill to us. You should not pay the bill yourself. We will contact the provider directly and take care of the problem. If you do pay the bill, you can get a refund from that health care provider if you followed the rules for getting services or item.

For more information, refer to **Chapter 7** of your **Member Handbook**.

If you ask to be paid back, you are asking for a coverage decision. We will check if the service or item you paid for is covered and if you followed all the rules for using your coverage. It describes situations when you may need to ask us to pay you back or pay a bill you got from a provider. It also tells how to send us the paperwork that asks us for payment.

- If the service or item you paid for is covered and you followed all the rules, we will send you the payment for the service or item within 60 calendar days after we get your request.
- If you haven't paid for the service or item yet, we will send the payment directly to the provider. When we send the payment, it's the same as saying **Yes** to your request for a coverage decision.
- If the service or item is not covered or you did not follow all the rules, we will send you a letter telling you we won't pay for the service or item and explaining why.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit **myuhc.com/CommunityPlan**.

If you don't agree with our decision not to pay, **you can make an appeal**. Follow the appeals process described in **Section F3**. When you follow these instructions, note:

- If you make an appeal for us to pay you back, we must give you our answer within 30 calendar days after we get your appeal.
- If you ask us to pay you back for medical care you got and paid for yourself, you can't ask for a fast appeal.

If our answer to your appeal is **No** and **Medicare** usually covers the service or item, we will send your case to the IRO. We will send you a letter if this happens.

- If the IRO reverses our decision and says we should pay you, we must send the payment to you or to the provider within 30 calendar days. If the answer to your appeal is **Yes** at any stage of the appeals process after Level 2, we must send the payment to you or to the health care provider within 60 calendar days.
- If the IRO says **No** to your appeal, it means they agree that we should not approve your request. This is called "upholding the decision" or "turning down your appeal." You will get a letter explaining additional appeal rights you may have. Refer to **Section J** for more information about additional levels of appeal.

If our answer to your appeal is **No** and Turquoise Care Plan usually covers the service or item, you can file a Level 2 Appeal yourself. Refer to **Section F4** for more information.

Section G Medicare Part D prescription drugs

Your benefits as a member of our plan include coverage for many prescription drugs. Most of these are Medicare Part D drugs. There are a few drugs that Medicare Part D doesn't cover that Turquoise Care Plan may cover. **This section only applies to Medicare Part D drug appeals.** We'll say "drug" in the rest of this section instead of saying "Medicare Part D drug" every time. For drugs covered only by Medicaid follow the process in **Section E** on page 8-6.

To be covered, the drug must be used for a medically accepted indication. That means the drug is approved by the Food and Drug Administration (FDA) or supported by certain medical references. Refer to **Chapter 5** of your **Member Handbook** for more information about a medically accepted indication.

Section G1 Medicare Part D coverage decisions and appeals

Here are examples of coverage decisions you ask us to make about your Medicare Part D drugs:

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

- You ask us to make an exception, including asking us to:
 - Cover a Medicare Part D drug that is not on our plan’s **Drug List** or
 - Set aside a restriction on our coverage for a drug (such as limits on the amount you can get)
- You ask us if a drug is covered for you (such as when your drug is on our plan’s **Drug List** but we must approve it for you before we cover it)

NOTE: If your pharmacy tells you that your prescription can’t be filled as written, the pharmacy gives you a written notice explaining how to contact us to ask for a coverage decision.

An initial coverage decision about your Medicare Part D drugs is called a “**coverage determination.**”

- You ask us to pay for a drug you already bought. This is asking for a coverage decision about payment.

If you disagree with a coverage decision we made, you can appeal our decision. This section tells you both how to ask for coverage decisions and how to make an appeal. Use the chart below to help you.

Which of these situations are you in?

<p>You need a drug that isn’t on our Drug List or need us to set aside a rule or restriction on a drug we cover.</p>	<p>You want us to cover a drug on our “Drug List,” and you think you meet plan rules or restrictions (such as getting approval in advance) for the drug you need.</p>	<p>You want to ask us to pay you back for a drug you already got and paid for.</p>	<p>We told you that we won’t cover or pay for a drug in the way that you want.</p>
<p>You can ask us to make an exception. (This is a type of coverage decision.)</p>	<p>You can ask us for a coverage decision.</p>	<p>You can ask us to pay you back. (This is a type of coverage decision.)</p>	<p>You can make an appeal. (This means you ask us to reconsider.)</p>
<p>Start with Section G2, then refer to Sections G3 and G4.</p>	<p>Refer to Section G4.</p>	<p>Refer to Section G4.</p>	<p>Refer to Section G5.</p>

? If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208, TTY 711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

Section G2 Medicare Part D exceptions

If we don't cover a drug in the way you would like, you can ask us to make an "exception." If we turn down your request for an exception, you can appeal our decision.

When you ask for an exception, your doctor or other prescriber needs to explain the medical reasons why you need the exception.

Asking for coverage of a drug not on our **Drug List** or for removal of a restriction on a drug is sometimes called asking for a "**formulary exception.**"

Here are some examples of exceptions that you or your doctor or other prescriber can ask us to make:

1. Covering a drug that is not on our Drug List

- You can't get an exception to the required copay amount for the drug.

Section G3 Important things to know about asking for an exception

Your doctor or other prescriber must tell us the medical reasons.

Your doctor or other prescriber must give us a statement explaining the medical reasons for asking for an exception. For a faster decision, include this medical information from your doctor or other prescriber when you ask for the exception.

Our **Drug List** often includes more than one drug for treating a specific condition. These are called "alternative" drugs. If an alternative drug is just as effective as the drug you ask for and wouldn't cause more side effects or other health problems, we generally do **not** approve your exception request.

We can say Yes or No to your request.

- If we say **Yes** to your exception request, the exception usually lasts until the end of the calendar year. This is true as long as your doctor continues to prescribe the drug for you and that drug continues to be safe and effective for treating your condition.
- If we say **No** to your exception request, you can make an appeal. Refer to **Section G5** for information on making an appeal if we say **No**.

The next section tells you how to ask for a coverage decision, including an exception.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

Section G4 Asking for a coverage decision, including an exception

- Ask for the type of coverage decision you want by calling **1-866-393-0208**, TTY **711**, writing, or faxing us. You, your representative, or your doctor (or other prescriber) can do this. Please include your name, contact information, and information about the claim.
- You or your doctor (or other prescriber) or someone else acting on your behalf can ask for a coverage decision. You can also have a lawyer act on your behalf.
- Refer to **Section E3** to find out how to name someone as your representative.
- You don't need to give written permission to your doctor or other prescriber to ask for a coverage decision on your behalf.
- If you want to ask us to pay you back for a drug, refer to **Chapter 7** of your **Member Handbook**.
- If you ask for an exception, give us a "supporting statement." The supporting statement includes your doctor or other prescriber's medical reasons for the exception request.
- Your doctor or other prescriber can fax or mail us the supporting statement. They can also tell us by phone and then fax or mail the statement.

If your health requires it, ask us for a "fast coverage decision."

We use the "standard deadlines" unless we agree to use the "fast deadlines."

- A **standard coverage decision** means we give you an answer within 72 hours after we get your doctor's statement.
- A **fast coverage decision** means we give you an answer within 24 hours after we get your doctor's statement.

A "fast coverage decision" is called an "**expedited coverage determination**."

You can get a fast coverage decision if:

- It's for a drug you didn't get. You can't get a fast coverage decision if you are asking us to pay you back for a drug you already bought.
- Your health or ability to function would be seriously harmed if we use the standard deadlines.

If your doctor or other prescriber tells us that your health requires a fast coverage decision, we agree and give it to you. We send you a letter that tells you.

- If you ask for a fast coverage decision without support from your doctor or other prescriber, we decide if you get a fast coverage decision.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

- If we decide that your medical condition doesn't meet the requirements for a fast coverage decision, we use the standard deadlines instead.
 - We send you a letter that tells you. The letter also tells you how to make a complaint about our decision.
 - You can file a fast complaint and get a response within 24 hours. For more information about making complaints, including fast complaints, refer to **Section K**.

Deadlines for a fast coverage decision

- If we use the fast deadlines, we must give you our answer within 24 hours after we get your request. If you ask for an exception, we give you our answer within 24 hours after we get your doctor's supporting statement. We give you our answer sooner if your health requires it.
- If we don't meet this deadline, we send your request to Level 2 of the appeals process for review by an IRO. Refer to **Section G6** for more information about a Level 2 Appeal.
- If we say **Yes** to part or all of your request, we give you the coverage within 24 hours after we get your request or your doctor's supporting statement.
- If we say **No** to part or all of your request, we send you a letter with the reasons. The letter also tells you how you can make an appeal.

- If we use the standard deadlines, we must give you our answer **within 72 hours** after we get your request. If you ask for an exception, we give you our answer within 72 hours after we get your doctor's supporting statement. We give you our answer sooner if your health requires it.
- If we don't meet this deadline, we send your request to Level 2 of the appeals process for review by an IRO.
- If we say **Yes** to part or all of your request, we give you the coverage **within 72 hours** after we get your request or your doctor's supporting statement for an exception.

- If we don't meet this deadline, we send your request to Level 2 of the appeals process for review by an IRO.
- If we say **Yes** to part or all of your request, we pay you back within 14 calendar days.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

- If we say **No** to part or all of your request, we send you a letter with the reasons. The letter also tells you how to make an appeal.

Section G5 Making a Level 1 Appeal

An appeal to our plan about a Medicare Part D drug coverage decision is called a plan “**redetermination**”.

- Start your **standard** or **fast appeal** by calling **1-866-393-0208**, TTY **711**, writing, or faxing us. You, your representative, or your doctor (or other prescriber) can do this. Please include your name, contact information, and information regarding your appeal.
- You must ask for an appeal **within 65 calendar days** from the date on the letter we sent to tell you our decision.
- If you miss the deadline and have a good reason for missing it, we may give you more time to make your appeal. Examples of good reasons are things like you had a serious illness or we gave you the wrong information about the deadline. Explain the reason why your appeal is late when you make your appeal.
- You have the right to ask us for a free copy of the information about your appeal. You and your doctor may also give us more information to support your appeal.

If your health requires it, ask for a fast appeal.

A fast appeal is also called an “**expedited redetermination.**”

- If you appeal a decision we made about a drug you didn’t get, you and your doctor or other prescriber decide if you need a fast appeal.
- Requirements for a fast appeal are the same as those for a fast coverage decision. Refer to **Section G4** for more information.

We consider your appeal and give you our answer.

- We review your appeal and take another careful look at all of the information about your coverage request.
- We check if we followed the rules when we said **No** to your request.
- We may contact you or your doctor or other prescriber to get more information.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

- If we say **Yes** to part or all of your request, we must provide the coverage we agreed to provide within 72 hours after we get your appeal.
- If we say **No** to part or all of your request, we send you a letter that explains the reasons and tells you how you can make an appeal.

Deadlines for a standard appeal at Level 1

- If we use the standard deadlines, we must give you our answer **within 7 calendar days** after we get your appeal for a drug you didn't get.
- We give you our decision sooner if you didn't get the drug and your health condition requires it. If you believe your health requires it, ask for a fast appeal.

- If we say **No** to part or all of your request, we send you a letter that explains the reasons and tells you how you can make an appeal.

Section G6 Making a Level 2 Appeal

If we say **No** to your Level 1 Appeal, you can accept our decision or make another appeal. If you decide to make another appeal, you use the Level 2 Appeal appeals process. The **IRO** reviews our decision when we said **No** to your first appeal. This organization decides if we should change our decision. If, however, we did not complete our review with the applicable timeframe, or make an unfavorable decision regarding "at-risk" determination under our drug management program, we will automatically forward your claim to the IRE.

The formal name for the “Independent Review Organization” (IRO) is the “**Independent Review Entity**”, sometimes called the “**IRE**”.

To make a Level 2 Appeal, you, your representative, or your doctor or other prescriber must contact the IRO **in writing** and ask for a review of your case.

- If we say **No** to your Level 1 Appeal, the letter we send you includes **instructions about how to make a Level 2 Appeal** with the IRO. The instructions tell who can make the Level 2 Appeal, what deadlines you must follow, and how to reach the organization.
- When you make an appeal to the IRO, we send the information we have about your appeal to the organization. This information is called your “case file”. **You have the right to a free copy of your case file.**
- You have a right to give the IRO additional information to support your appeal.

The IRO reviews your Medicare Part D Level 2 Appeal and gives you an answer in writing. Refer to **Section F4** for more information about the IRO.

Deadlines for a fast appeal at Level 2

If your health requires it, ask the IRO for a fast appeal.

- If they agree to a fast appeal, they must give you an answer **within 72 hours** after getting your appeal request.
- If they say **Yes** to part or all of your request, we must provide the approved drug coverage **within 24 hours** after getting the IRO’s decision.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

Deadlines for a standard appeal at Level 2

If you have a standard appeal at Level 2, the IRO must give you an answer:

- **Within 7 calendar days** after they get your appeal for a drug you didn't get.
- **Within 14 calendar days** after getting your appeal for repayment for a drug you bought.

If the IRO says **Yes** to part or all of your request:

- We must provide the approved drug coverage **within 72 hours** after we get the IRO's decision.
- We must pay you back for a drug you bought **within 30 calendar days** after we get the IRO's decision.
- If the IRO says **No** to your appeal, it means they agree with our decision not to approve your request. This is called "upholding the decision" or "turning down your appeal".

If the IRO says **No** to your Level 2 Appeal, you have the right to a Level 3 Appeal if the dollar value of the drug coverage you ask for meets a minimum dollar value. If the dollar value of the drug coverage you ask for is less than the required minimum, you can't make another appeal. In that case, the Level 2 Appeal decision is final. The IRO sends you a letter that tells you the minimum dollar value needed to continue with a Level 3 Appeal.

If the dollar value of your request meets the requirement, you choose if you want to take your appeal further.

- There are three additional levels in the appeals process after Level 2.
- If the IRO says **No** to your Level 2 Appeal and you meet the requirement to continue the appeals process, you:
 - Decide if you want to make a Level 3 Appeal.
 - Refer to the letter the IRO sent you after your Level 2 Appeal for details about how to make a Level 3 Appeal.

An ALJ or attorney adjudicator handles Level 3 Appeals. Refer to **Section J** for information about Level 3, 4, and 5 Appeals.

Section H Asking us to cover a longer hospital stay

When you're admitted to a hospital, you have the right to get all hospital services that we cover that are necessary to diagnose and treat your illness or injury. For more information about our plan's hospital coverage, refer to **Chapter 4** of your **Member Handbook**.

During your covered hospital stay, your doctor and the hospital staff work with you to prepare for the day when you leave the hospital. They also help arrange for care you may need after you leave.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

- The day you leave the hospital is called your “**discharge date.**”
- Your doctor or the hospital staff will tell you what your discharge date is.

If you think you’re being asked to leave the hospital too soon or you are concerned about your care after you leave the hospital, you can ask for a longer hospital stay. This section tells you how to ask.

Section H1 Learning about your Medicare rights

Within two days after you’re admitted to the hospital, someone at the hospital, such as a nurse or caseworker, will give you a written notice called “**Important Message from Medicare.**” Everyone with Medicare gets a copy of this notice whenever they are admitted to a hospital.

If you don’t get the notice, ask any hospital employee for it. If you need help, call Member Services at the numbers at the bottom of the page. You can also call **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. TTY users should call **1-877-486-2048**.

- **Read the notice** carefully and ask questions if you don’t understand. The notice tells you about your rights as a hospital patient, including your rights to:
 - Get Medicare-covered services during and after your hospital stay. You have the right to know what these services are, who will pay for them, and where you can get them.
 - Be a part of any decisions about the length of your hospital stay.
 - Know where to report any concerns you have about the quality of your hospital care.
 - Appeal if you think you’re being discharged from the hospital too soon.
- **Sign the notice** to show that you got it and understand your rights.
 - You or someone acting on your behalf can sign the notice.
 - Signing the notice **only** shows that you got the information about your rights. Signing does **not** mean you agree to a discharge date your doctor or the hospital staff may have told you.
- **Keep your copy** of the signed notice so you have the information if you need it.

If you sign the notice more than two days before the day you leave the hospital, you’ll get another copy before you’re discharged.

You can look at a copy of the notice in advance if you:

- Call Member Services at the numbers at the bottom of the page
- Call Medicare at **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. TTY users should call **1-877-486-2048**.
- Visit [y](#).

? **If you have questions**, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

Section H2 Making a Level 1 Appeal

If you want us to cover your inpatient hospital services for a longer time, make an appeal. The Quality Improvement Organization (QIO) reviews the Level 1 Appeal to find out if your planned discharge date is medically appropriate for you.

The QIO is a group of doctors and other health care professionals paid by the federal government. These experts check and help improve the quality for people with Medicare. They are not part of our plan.

In New Mexico, the QIO is ACENTRA. Call them at **1-888-315-0636**. Contact information is also in the notice, “An Important Message from Medicare about Your Rights,” and in **Chapter 2**.

Call the QIO before you leave the hospital and no later than midnight on the day of your planned discharge date.

- **If you call before you leave**, you can stay in the hospital after your planned discharge date without paying for it while you wait for the QIO’s decision about your appeal.
- **If you do not call to appeal**, and you decide to stay in the hospital after your planned discharge date, you may pay all costs for hospital care you get after your planned discharge date.
- **If you miss the deadline** for contacting the QIO about your appeal, appeal to our plan directly instead. Refer to **Section G4** for information about making an appeal to us.

Ask for help if you need it. If you have questions or need help at any time:

- Call Member Services at the numbers at the bottom of the page.
- Call the New Mexico Benefits Counseling Program SHIP at **1-800-432-2080**.

Ask for a fast review. Act quickly and contact the QIO to ask for a fast review of your hospital discharge.

The legal term for “**fast review**” is “**immediate review**” or “**expedited review.**”

What happens during fast review

- Reviewers at the QIO ask you or your representative why you think coverage should continue after the planned discharge date. You aren’t required to write a statement, but you may.
- Reviewers look at your medical information, talk with your doctor, and review information that the hospital and our plan gave them.
- By noon of the day after reviewers tell our plan about your appeal, you get a letter with your planned discharge date. The letter also gives reasons why your doctor, the hospital, and we think that is the right discharge date that’s medically appropriate for you.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

The legal term for this written explanation is the “**Detailed Notice of Discharge**.” You can get a sample by calling Member Services at the numbers at the bottom of the page or **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. (TTY users should call **1-877-486-2048**.) You can also refer to a sample notice online at **cms.gov/medicare/appeals-grievances/managed-care/notices-forms**.

Within one full day after getting all of the information it needs, the QIO give you their answer to your appeal.

If the QIO says **Yes** to your appeal:

- We will provide your covered inpatient hospital services for as long as the services are medically necessary.
- There may be limitations on your covered hospital services.

If the QIO says **No** to your appeal:

- They believe your planned discharge date is medically appropriate.
- Our coverage for your inpatient hospital services will end at noon on the day after the QIO gives you their answer to your appeal.
- You may have to pay the full cost of hospital care you get after noon on the day after the QIO gives you their answer to your appeal.
- You can make a Level 2 Appeal if the QIO turns down your Level 1 Appeal **and** you stay in the hospital after your planned discharge date.

Section H3 Making a Level 2 Appeal

For a Level 2 Appeal, you ask the QIO to take another look at the decision they made on your Level 1 Appeal. Call them at **1-888-315-0636**.

You must ask for this review **within 60 calendar days** after the day the QIO said **No** to your Level 1 Appeal. You can ask for this review **only** if you stay in the hospital after the date that your coverage for the care ended.

QIO reviewers will:

- Take another careful look at all of the information related to your appeal.
- Tell you their decision about your Level 2 Appeal within 14 calendar days of receipt of your request for a second review.

? **If you have questions**, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit **myuhc.com/CommunityPlan**.

If the QIO says **Yes** to your appeal:

- We must pay you back for hospital care costs since noon on the day after the date the QIO turned down your Level 1 Appeal.
- We will provide your covered inpatient hospital services for as long as the services are medically necessary.
- Coverage limitations may apply.

If the QIO says **No** to your appeal:

- They agree with their decision about your Level 1 Appeal and won't change it.
- They give you a letter that tells you what you can do if you want to continue the appeals process and make a Level 3 Appeal.

An ALJ or attorney adjudicator handles Level 3 Appeals. Refer to **Section J** for information about Level 3, 4, and 5 Appeals.

Section I Asking us to continue covering certain medical services

This section is only about three types of services you may be getting:

- Home health care services
- Skilled nursing care in a skilled nursing facility, **and**
- Rehabilitation care as an outpatient at a Medicare-approved CORF. This usually means you're getting treatment for an illness or accident or you're recovering from a major operation.

With any of these three types of services, you have the right to get covered services for as long as the doctor says you need them.

When we decide to stop covering any of these, we must tell you **before** your services end. When your coverage for that service ends, we stop paying for it.

If you think we're ending the coverage of your care too soon, **you can appeal our decision**. This section tells you how to ask for an appeal.

Section I1 Advance notice before your coverage ends

We send you a written notice that you'll get at least two days before we stop paying for your care. This is called the "**Notice of Medicare Non-Coverage**." The notice tells you the date when we will stop covering your care and how to appeal our decision.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

You or your representative should sign the notice to show that you got it. Signing the notice **only** shows that you got the information. Signing does **not** mean you agree with our decision.

Section I2 Making a Level 1 Appeal

If you think we're ending coverage of your care too soon, you can appeal our decision. This section tells you about the Level 1 Appeal process and what to do.

- **Meet the deadlines.** The deadlines are important. Understand and follow the deadlines that apply to things you must do. Our plan must follow deadlines too. If you think we're not meeting our deadlines, you can file a complaint. Refer to **Section K** for more information about complaints.
- **Ask for help if you need it.** If you have questions or need help at any time:
 - Call Member Services at the numbers at the bottom of the page.

- You must contact the QIO to start your appeal by noon of the day before the effective date on the **"Notice of Medicare Non-Coverage"** we sent you.
- If you miss the deadline for contacting the QIO, you can make your appeal directly to us instead. For details about how to do that, refer to **Section I4**.

Section A When you can end your membership in our plan

Most people with Medicare can end their membership during certain times of the year. Since you have Turquoise Care Plan, you may be able to end your membership with our plan any month of the year.

In addition, you may end your membership in our plan during the following periods each year:

- The **Annual Enrollment Period**, which lasts from October 15 to December 7. If you choose a new plan during this period, your membership in our plan ends on December 31 and your membership in the new plan starts on January 1.
- The **Medicare Advantage (MA) Open Enrollment Period**, which lasts from January 1 to March 31 and also for new Medicare beneficiaries who are enrolled in a plan, from the month of entitlement to Part A and Part B until the last day of the 3rd month of entitlement. If you choose a new plan during this period, your membership in the new plan starts the first day of the next month.

There may be other situations when you are eligible to make a change to your enrollment. For example, when:

- You move out of our service area,
- Your eligibility for Turquoise Care Plan or Extra Help changed, **or**
- If you recently moved into, currently are getting care in, or just moved out of a nursing facility or a long-term care hospital.

Your membership ends on the last day of the month that we get your request to change your plan. For example, if we get your request on January 18, your coverage with our plan ends on January 31. Your new coverage begins the first day of the next month (February 1, in this example).

If you leave our plan, you can get information about your:

- Medicare options in the table in **Section C1**.
- Medicaid services in **Section C2**.

You can get more information about how you can end your membership by calling:

- Member Services at the number at the bottom of this page. The number for TTY users is listed too.

- Find the information in the **Medicare & You 2025** handbook.

Section B How to end your membership in our plan

If you decide to end your membership you can enroll in another Medicare plan or switch to Original Medicare. There are three ways you can ask to be disenrolled:

When you call **1-800-MEDICARE**, you can also enroll in another Medicare health or drug plan. More information on getting your Medicare services when you leave our plan is in the chart on page 9-4.
- Call New Mexico Medicaid Call Center toll-free at **1-888-997-2583**, TTY **711**. Section C below includes steps that you can take to enroll in a different plan, which will also end your membership in our plan.

Many laws apply to this **Member Handbook**. These laws may affect your rights and responsibilities even if the laws are not included or explained in the **Member Handbook**. The main laws that apply are federal laws about the Medicare and Turquoise Care Plan programs. Other federal and State laws may apply too.

Section B Notice about nondiscrimination

We don't discriminate or treat you differently because of your race, ethnicity, national origin, color, religion, moral beliefs, sex, gender, age, sexual orientation, mental or physical disability, health status, claims experience, medical history, genetic information, evidence of insurability, or geographic location within the service area. Section C Notice about Medicare as a second payer and Turquoise Care Plan as a payer of last resort

Sometimes someone else must pay first for the services we provide you. For example, if you're in a car accident or if you're injured at work, insurance or Workers Compensation must pay first.

We have the right and responsibility to collect for covered Medicare services for which Medicare is not the primary payer. According to CMS regulations at 42 CFR sections 422.108 and 423.462, our plan, as a Medicare Advantage Organization, will exercise the same rights of recovery that the Secretary exercises under CMS regulations in subparts B through D of part 411 of 42 CFR and the rules established in this section supersede any State laws. We take all reasonable measures to ensure that Turquoise Care Plan is the payer of last resort.

Section D Third party liability and subrogation

If you suffer an illness or injury for which any third party is alleged to be liable or responsible due to any negligent or intentional act or omission causing illness or injury to you, you must promptly notify us of the illness or injury. We will send you a statement of the amounts we paid for services provided in connection with the illness or injury. If you recover any sums from any third party, we shall be reimbursed out of any such recovery from any third party for the payments we made on your behalf, subject to the limitations in the following paragraphs.

1. **Our payments are less than the recovery amount.** If our payments are less than the total recovery amount from any third party (the "recovery amount"), then our reimbursement is computed as follows:
 - a. **First:** Determine the ratio of the procurement costs to the recovery amount (the term "procurement costs" means the attorney fees and expenses incurred in obtaining a settlement or judgment).
 - b. **Second:** Apply the ratio calculated above to our payment. The result is our share of procurement costs.
 - c. **Third:** Subtract our share of procurement costs from our payments. The remainder is our reimbursement amount.
2. **Our payments equal or exceed the recovery amount.** If our payments equal or exceed the recovery amount, our reimbursement amount is the total recovery amount minus the total procurement costs.
3. We incur procurement costs because of opposition to our reimbursement. If we must bring suit against the party that received the recovery amount because that party opposes our reimbursement, our reimbursement amount is the lower of the following:

? **If you have questions,** please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208, TTY 711, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept.** The call is free. For more information, visit **myuhc.com/CommunityPlan**.

- a. our payments made on your behalf for services; or
- b. the recovery amount, minus the party's total procurement cost.

Subject to the limitations stated above, you agree to grant us an assignment of, and a claim and a lien against, any amounts recovered through settlement, judgment, or verdict. You may be required by us and you agree to execute documents and to provide information necessary to establish the assignment, claim, or lien to ascertain our right to reimbursement.

Section E Member liability

In the event we fail to reimburse network providers' charges for covered services that are covered by both Medicare and Medicaid, you will not be liable for any sums owed by us.

You will be liable if you receive services from non-network providers without authorization. Neither the plan nor Medicare nor Turquoise Care Plan will pay for those services except for the following eligible expenses:

- Emergency services
- Urgently needed services
- Out-of-area and routine travel dialysis (must be received in a Medicare Certified Dialysis Facility within the United States)
- Post-stabilization services

If you enter into a private contract with a non-network provider, neither the plan nor Medicare nor Turquoise Care Plan will pay for those services.

Section F Medicare-covered services must meet requirement of reasonable and necessary

In determining coverage, services must meet the reasonable and necessary requirements under Medicare in order to be covered under your plan, unless otherwise listed as a covered service. A service is "reasonable and necessary" if the service is:

- Safe and effective;
- Not experimental or investigational; and
- Appropriate, including the duration and frequency that is considered appropriate for the service, in terms of whether it is:
 1. Furnished in accordance with accepted standards of medical practice for the diagnosis or treatment of the patient's condition or to improve the function of a malformed body member;

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

2. Furnished in a setting appropriate to the patient's medical needs and condition;
3. Ordered and furnished by qualified personnel;
4. One that meets, but does not exceed, the patient's medical need; and
5. At least as beneficial as an existing and available medically appropriate alternative.

Section G Non-duplication of benefits with automobile, accident or liability coverage

If you are receiving benefits as a result of other automobile, accident or liability coverage, we will not duplicate those benefits. It is your responsibility to take whatever action is necessary to receive payment under automobile, accident, or liability coverage when such payments may reasonably be expected, and to notify us of such coverage when available. If we happen to duplicate benefits to which you are entitled under other automobile, accident, or liability coverage, we may seek reimbursement of the reasonable value of those benefits from you, your insurance carrier, or your health care provider to the extent permitted under State and/or federal law. We will provide benefits over and above your other automobile, accident, or liability coverage, if the cost of your health care services exceeds such coverage. You are required to cooperate with us in obtaining payment from your automobile, accident, or liability coverage carrier. Your failure to do so may result in termination of your plan membership.

Section H Acts beyond our control

If, due to a natural disaster, war, riot, civil insurrection, complete or partial destruction of a facility, ordinance, law or decree of any government or quasi-governmental agency, labor dispute (when said dispute is not within our control), or any other emergency or similar event not within the control of us, providers may become unavailable to arrange or provide health services pursuant to this **Member Handbook** and Disclosure Information, then we shall attempt to arrange for covered services insofar as practical and according to our best judgment. Neither we nor any provider shall have any liability or obligation for delay or failure to provide or arrange for covered services if such delay is the result of any of the circumstances described above.

Section I Contracting medical providers and network hospitals are independent contractors

The relationships between us and our network providers and network hospitals are independent contractor relationships. None of the network providers or network hospitals or their physicians or employees are employees or agents of UnitedHealthcare Insurance Company or one of its affiliates.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

An agent would be anyone authorized to act on our behalf. Neither we nor any employee of UnitedHealthcare Insurance Company or one of its affiliates is an employee or agent of the network providers or network hospitals.

Section J Technology assessment

We regularly review new procedures, devices, and drugs to determine whether or not they are safe and efficacious for Members. New procedures and technology that are safe and efficacious are eligible to become Covered Services. If the technology becomes a Covered Service, it will be subject to all other terms and conditions of the plan, including medical necessity and any applicable member copayments, coinsurance, deductibles, or other payment contributions. In determining whether to cover a service, we use proprietary technology guidelines to review new devices, procedures, and drugs, including those related to behavioral/mental health. When clinical necessity requires a rapid determination of the safety and efficacy of a new technology or new application of an existing technology for an individual Member, one of our Medical Directors makes a medical necessity determination based on individual Member medical documentation, review of published scientific evidence, and, when appropriate, relevant specialty or professional opinion from an individual who has expertise in the technology.

Section K Member statements

In the absence of fraud, all statements made by you will be deemed representations and not warranties. No such representation will void coverage or reduce covered services under this **Member Handbook** or be used in defense of a legal action unless it is contained in a written application.

Section L Information upon request

As a plan member, you have the right to request information on the following:

- General coverage and comparative plan information
- Utilization control procedures
- Quality improvement programs
- Statistical data on grievances and appeals
- The financial condition of UnitedHealthcare Insurance Company or one of its affiliates

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit myuhc.com/CommunityPlan.

Section M 2025 Member fraud & abuse communication

2025 Enrollee Fraud & Abuse Communication

Fraud is a serious matter. What is fraud? Fraud is making false statements or representations of material facts to obtain some benefit or payment for which no entitlement would otherwise exist. An example of fraud for members is falsely claiming that you live in New Mexico when you live outside the boundaries of New Mexico.

How you can fight health care fraud

Our company is committed to preventing fraud, waste, and abuse in Medicare and Medicaid programs and we're asking for your help. If you identify a potential case of fraud, please report it to us immediately.

Here are some examples of potential fraud cases:

- A health care provider—such as a physician, pharmacy, or medical device company—bills for services you never got;
- A supplier bills for equipment different from what you got;
- Someone uses another person's Medicare card to get medical care, prescriptions, supplies or equipment;
- Someone bills for home medical equipment after it has been returned;
- A company offers a Medicare drug or health plan that hasn't been approved by Medicare; or
- A company uses false information to mislead you into joining a Medicare drug or health plan.

To report a potential case of fraud in a Medicare benefit program, call UHC Dual Complete NM-Y1 (PPO D-SNP) Customer Service at **1-866-393-0208** (TTY **711**), 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept or call New Mexico's Medicaid Fraud Hotline at **1-800-228-4802**.

This hotline allows you to report cases anonymously and confidentially. We will make every effort to maintain your confidentiality. However, if law enforcement needs to get involved, we may not be able to guarantee your confidentiality. Please know that our organization will not take any action against you for reporting a potential fraud case in good faith.

You may also report potential medical or prescription drug fraud cases to the Medicare Drug Integrity Contractor (MEDIC) at **1-877-7SafeRx (1-877-772-3379)** or to the Medicare program directly at **1-800-633-4227**. The Medicare fax number is **1-717-975-4442** and the website is **medicare.gov**.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit **myuhc.com/CommunityPlan**.

Section N How our network providers are generally compensated

Commitment of Coverage Decisions

UnitedHealthcare's Clinical Services Staff and Physicians make decisions on the health care services you receive based on the appropriateness of care and service and existence of coverage. Clinical Staff and Physicians making these decisions:

1. Do not specifically receive reward for issuing non-coverage (denial) decisions;
2. Do not offer incentives to physicians or other health care professionals to encourage inappropriate underutilization of care or services; and
3. Do not hire, promote, or terminate physicians or other individuals based upon the likelihood or the perceived likelihood that the individual will support or tend to support the denial of benefits.

If you have questions, please call UHC Dual Complete NM-Y1 (PPO D-SNP) at **1-866-393-0208**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. For more information, visit **myuhc.com/CommunityPlan**.

In some cases, out-of-network providers can balance bill you for covered services. If you go into a hospital or a skilled nursing facility after one benefit period has ended, a new benefit period begins. There is no limit to the number of benefit periods.
