Take advantage of a specially designed plan

The One Care plan from UnitedHealthcare is a Coordinated Care plan that combines your MassHealth Standard or CommonHealth and Original Medicare benefits into one plan. It has a network of quality doctors, hospitals, pharmacies and other local providers, designed to help you get the care you need.

Here's how this HMO D-SNP plan works

Select a network primary care provider to oversee and help manage your care. It's required by the plan, but it's also very beneficial for your long term health and well-being.

No out-of-pocket costs for covered drugs or other approved health care benefits from network providers. If you get care from a provider out of the network, you may have to pay the full cost yourself.

Some services require a referral from your doctor. Check your Summary of Benefits for details.

Emergency and urgently needed services are covered anywhere in the world.

This plan includes medically necessary dental coverage at no cost to you.

Get support from your care coordinator who can make appointments, arrange transportation services and help you get the most out of your plan.

Go to **UHC.com/CommunityPlan** to search for a network provider or pharmacy using the online directories. You can also view the plan Drug List (Formulary) to see what drugs are covered and if there are any restrictions. See your Member Handbook for a list of all covered services.

Frequently Asked Questions (FAQ)	Answers
Will I get the same Medicare and MassHealth (Medicaid) benefits in UHC One Care that I get now?	You'll get your covered Medicare and MassHealth (Medicaid) benefits directly from UHC One Care. You'll work with a team of providers who will help determine what services will best meet your needs. This means that some of the services you get now may change. You may also get other benefits the same way you do now, directly from a state agency like the Department of Mental Health or the Department of Developmental Services. When you enroll in UHC One Care, you and your Care Team will work together to develop an Individualized Care Plan (ICP) to address your health and support needs, reflecting your personal preferences and goals. If you're taking any Medicare Part D prescription drugs that UHC One Care does not normally cover, you can get a temporary supply and we will help you to transition to another drug or get an exception for UHC One Care to cover your drug if medically necessary. For all other services, you can keep using your doctors and getting your current services for 90 days, or until your ICP is complete. If you are within our plan's 60 day period of deemed continued eligibility, we will continue to provide all Medicare Advantage plan-covered Medicare benefits. However, your MassHealth (Medicaid) coverage may end sooner than your Medicare coverage with us. When your MassHealth (Medicaid) coverage ends, we will not pay for your MassHealth (Medicaid) benefits including the Medicare cost sharing. Medicare cost-sharing amounts for Medicare basic and supplemental benefits do not change during this period. We will assist your efforts to regain your MassHealth (Medicaid) eligibility. If your MassHealth (Medicaid) eligibility is restored while you are still enrolled with us for your Medicare coverage, we will resume paying for your MassHealth (Medicaid) benefits and your enrollment with us will continue. If you regain MassHealth (Medicaid) eligibility after we disenroll you from our Medicare coverage you will need to reach out to reenroll with us.

If you have questions, please call UHC One Care at **1-866-633-4454 (TTY 711)**, 8 a.m.–8 p.m. local time, 7 days a week. The call is free. **For more information**, visit **UHCCommunityPlan.com**.

Frequently Asked Questions (FAQ)	Answers
Can I use the same doctors I use now?	This is often the case. If your providers (including doctors, hospitals, therapist, pharmacies, and other health care providers) work with UHC One Care and have a contract with us, you can keep going to them. • Providers with an agreement with us are “in-network.” You must use the providers in UHC One Care’s network. • If you need urgent or emergency care or out-of-area dialysis services, you can use providers outside of UHC One Care’s plan. To find out if your doctors are in the plan’s network, call the Member Services or read UHC One Care’s Provider and Pharmacy Directory on the plan’s website at UHCCommunityPlan.com. If UHC One Care is new for you, we will work with you to develop an Individualized Care Plan (ICP) to address your needs. You can continue using the doctors you use now for 90 days or until your ICP is completed.
What happens if I need a service but no one in UHC One Care’s network can provide it?	Most services will be provided by our network providers. If you need a covered service that can’t be provided within our network, UHC One Care will pay for the cost of an out-of-network provider.
Where’s UHC One Care available?	The service area for this plan includes: Bristol, Essex, Hampden, Hampshire, Middlesex, Norfolk, Plymouth, Suffolk, and Worcester Counties, Massachusetts. You must live in one of these areas to join the plan.
Do I pay a monthly amount (also called a premium) under UHC One Care?	You will not pay any monthly premiums to UHC One Care (HMO D-SNP) If you pay a premium to MassHealth (Medicaid) for CommonHealth, you must continue to pay the premium to MassHealth (Medicaid) to keep your coverage.

If you have questions, please call UHC One Care at **1-866-633-4454 (TTY 711)**, 8 a.m.–8 p.m. local time, 7 days a week. The call is free. **For more information**, visit **UHCCommunityPlan.com**.

Frequently Asked Questions (FAQ)	Answers
What’s prior authorization (PA)?	PA means an approval from UHC One Care to seek services outside of our network or to get services not routinely covered by our network before you get the services. UHC One Care may not cover the service, procedure, item, or drug if you don’t get PA. If you need urgent or emergency care or out-of-area dialysis services, you don’t need to get prior authorization first. UHC One Care can provide you or your provider with a list of services or procedures that require you to get prior authorization from UHC One Care before the service is provided. Refer to Chapter 3 of the Member Handbook to learn more about prior authorization. Refer to the Benefits Chart in Chapter 4 of the Member Handbook to learn which services require PA. If you have questions about whether prior authorization is required for specific services, procedures, items, or drugs, call Member Services at the numbers listed at the bottom of this page or at the numbers in the footer of this document for help.
What’s a referral?	A referral means that your primary care provider (PCP) must give you approval to go to someone that isn’t your PCP. A referral is different than a prior authorization. If you don’t get a referral from your PCP, UHC One Care may not cover the services. UHC One Care can provide you with a list of services that require you to get a referral from your PCP before the service is provided. You don’t need a referral to use certain specialists, such as women’s health specialists.
Do I pay a deductible?	No. You do not pay deductibles in UHC One Care.
What’s the maximum out-of-pocket amount that I’ll pay for medical services as a member of UHC One Care?	There’s no cost sharing for medical services in UHC One Care, so your annual out-of-pocket costs will be \$0.

Medicare Advantage plans (Part C) and cost plans

Medicare Health Maintenance Organization (HMO) plan — A Medicare Advantage plan that provides all Original Medicare Part A and Part B health coverage and sometimes covers Part D prescription drug coverage. In most HMOs, you can only get your care from doctors or hospitals in the plan's network (except in emergencies).

Medicare HMO point-of-service (HMO-POS) plan — A Medicare Advantage plan that provides all Original Medicare Part A and Part B health coverage and sometimes covers Part D prescription drug coverage. HMO-POS plans may allow you to get some services out of network for a higher copay or coinsurance.

Medicare preferred provider organization (PPO) plan — A Medicare Advantage plan that provides all Original Medicare Part A and Part B health coverage and sometimes covers Part D prescription drug coverage. PPOs have network doctors, providers and hospitals but you can also use out-of-network providers, usually at a higher cost.

Medicare private fee-for-service (PFFS) plan — A Medicare Advantage plan in which you may go to any Medicare-approved doctor, hospital and provider that accepts the plan's payment, terms and conditions and agrees to treat you — not all providers will. If you join a PFFS plan that has a network, you can see any of the network providers who have agreed to always treat plan members. You will usually pay more to see out-of-network providers.

Medicare Special Needs Plan (SNP) — A Medicare Advantage plan that has a benefit package designed for people with special health care needs. Examples of the specific groups served include people who have both Medicare and Medicaid, people who reside in nursing homes and people who have certain chronic medical conditions.

Medicare Medical Savings Account (MSA) plan — MSA plans combine a high-deductible health plan with a bank account. The plan deposits money from Medicare into the account. You can use it to pay your medical expenses until your deductible is met.

Medicare cost plan — In a Medicare cost plan, you can go to providers both in and out-of-network. If you get services outside of the plan's network, your Medicare-covered services will be paid for under Original Medicare but you will be responsible for Medicare coinsurance and deductibles.

Stand-alone Medicare prescription drug (Part D) plan

Medicare prescription drug plan (PDP) — A standalone drug plan that adds prescription drug coverage to Original Medicare, some Medicare Cost Plans, some Medicare private fee-for-service plans and Medicare Medical Savings Account Plans.

Other related products

Medicare Supplement (Medigap) Products — Insurance plans that help pay some of the out-of-pocket costs not paid by Original Medicare Part A and Part B, such as deductibles and coinsurance amounts for Medicare approved services.

Dental, vision, hearing products — Plans offering additional benefits for consumers who are looking to cover needs for dental, vision or hearing. These plans are not affiliated or connected to Medicare.

Hospital indemnity products — Plans offering additional benefits; payable to consumers based upon their medical utilization; sometimes used to defray copays/coinsurance. These plans are not affiliated or connected to Medicare.

- ☐ This One Care organization is a Medicare Advantage plan and has a contract with the federal government. UHC One Care also has a contract with the Commonwealth of Massachusetts/ MassHealth. This is not a Medicare Supplement plan. I will need to keep my MassHealth Standard or CommonHealth plan. I must keep both Hospital (Part A) and Medical (Part B) to stay in UnitedHealthcare. I must keep paying my Part B premium if I have one, unless Medicaid or someone else pays for it.
- ☐ Because I have MassHealth, I may leave UHC One Care if I have a qualifying election period. I will no longer be covered by UHC One Care on the first day of the month following the month I request to leave UHC One Care. UHC One Care serves a specific service area. If I move out of the area that UHC One Care serves, I need to notify the plan so that I can disenroll and find a new plan in my new area. Once I am a member of UHC One Care, I have the right to appeal plan decisions about payment or services if I disagree with them.
- ☐ I understand that people with Medicare are generally not covered under Medicare while out of the country, except for limited coverage near the U.S. border. This plan covers emergency and urgent care outside of the U.S. See the Summary of Benefits for more information.
- ☐ I understand that when my UnitedHealthcare coverage begins, I must get all of my medical and prescription drug benefits from UnitedHealthcare. Benefits and services authorized by UnitedHealthcare and contained in my UnitedHealthcare "Member Handbook" document (also known as a member contract or subscriber agreement) will be covered. Neither Medicare nor UnitedHealthcare will pay for benefits or services that are not covered.
- ☐ I understand that I can be enrolled in only one Medicare Advantage (MA) plan at a time – and that enrollment in this plan will automatically end my enrollment in another MA plan (exceptions apply for MA Private Fee-for-Service (PFFS), MA Medicare Medical Savings Account (MSA) plans).
- ☐ **Release of information:** By joining this Medicare Advantage Plan, I acknowledge that the plan will share my information with Medicare, who may use it to track my enrollment, to make payments, and for other purposes allowed by Federal law that authorize the collection of this information (see Privacy Act Statement below).
- ☐ I give UnitedHealthcare permission to share my protected health information with organizations or person(s) for permissible purposes under applicable law as required to administer my health plan.

- ☐ The information on this form is correct to the best of my knowledge. I understand that if I intentionally provide false information on this form I will be disenrolled from the plan.
- ☐ Joining this plan could affect my employer or union health benefits. If I have health coverage from an employer or union, joining this plan may change how my current coverage works. Me or my dependents could lose our other health or drug coverage completely and not get it back if I join this plan. I will talk to my employer or union. I will ask how joining this plan could affect my current plan. I may also want to check my employer or union's website, or read any information sent to me. If there is no information on whom to contact, my benefits administrator or the office that answers questions about my coverage can help.
- ☐ **Estate Recovery Awareness:** MassHealth is required by federal law to recover money from the estates of certain MassHealth members who are age 55 years or older, and who are any age and are receiving long-term care in a nursing home or other medical institution. For more information about MassHealth estate recovery, please visit www.mass.gov/estater recovery
- ☐ My response to this form is voluntary. However, failure to respond may affect enrollment in the plan.

Enrollment checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a Member Services Representative at the number listed on the back cover of this book.

Understanding the benefits

- ✓ The Member Handbook provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit our plan website or call to view a copy of the Member Handbook. Our phone number and website are listed on the back cover of this book.
- ✓ Review the Provider Directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ✓ Review the Pharmacy Directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ✓ Review the Drug List to make sure your drugs are covered.

Understanding important rules

- ✓ Benefits, premiums and/or copays/coinsurance may change on January 1 of each year.
- ✓ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- ✓ Effect on Current Coverage. If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage health care coverage will end once your new Medicare Advantage coverage starts. If you have TRICARE, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact TRICARE for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
- ✓ This plan is a Dual Eligible Special Needs Plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid.

Important information: 2025 Medicare star ratings

UnitedHealthcare - H4610

For 2025, UnitedHealthcare - H4610 received the following Star Ratings from Medicare:

Overall Star Rating: Plan too new to be measured

Health Services Rating: Plan too new to be measured

Drug Services Rating: Plan too new to be measured

Every year, Medicare evaluates plans based on a 5-star rating system.

Why Star Ratings are Important

Medicare rates plans on their health and drug services. This lets you easily compare plans based on quality and performance.

Star Ratings are based on factors that include:

- ☐ Feedback from members about the plan’s service and care
- ☐ The number of members who left or stayed with the plan
- ☐ The number of complaints Medicare got about the plan
- ☐ Data from doctors and hospitals that work with the plan

More stars mean a better plan – for example, members may get better care and better, faster customer service.

The number of stars shows how well a plan performs.

- ★★★★★ EXCELLENT
- ★★★★ ABOVE AVERAGE
- ★★★ AVERAGE
- ★★ BELOW AVERAGE
- ★ POOR
