Dear Member:

Starting July 1, members enrolled in UnitedHealthcare's Managed Long Term Services and Supports (MLTSS) program will have access to Nutritional Support Services. This program helps improve health and food security for our members.

The program also provides food benefits, like:

- **Nutrition guidance:** Talk to experts about your current diet, and get healthy food suggestions and advice. You can also get help signing up for programs like SNAP and WIC.
- **Transitional food support:** If you're moving from an institutional setting to a community home, you can get a supply of essential pantry and household items.
- **Short-term grocery deliveries:** In times of urgent need – like a sudden health challenge – you can get grocery deliveries for up to 30 days. That way you have access to healthy food when you need it most.

To access these benefits, members must be enrolled in the MLTSS program and meet individual eligibility requirements.

To learn more and see if you qualify, please contact your MLTSS Care Manager at 1-800-645-9409, TTY 711, Mon-Fri, 8 a.m.-5 p.m.

You can also chat with Member Services through the **UnitedHealthcare® app** or **myuhc.com/communityplan**.

Sincerely,

United Healthcare Community and State Plan of NJ
Managed Long Term Services and Supports (MLTSS) Program

UnitedHealthcare does not discriminate on the basis of race, color, national origin, sex, age or disability in health programs and activities.
