Choosing a Primary Care Provider (PCP) for you and your family is easy

There are several types of PCPs listed in this directory.

Primary Care Providers

Family General Practice:	Adults and children
Internal Medicine:	Adults
Pediatrician:	Children

Providers listed in this directory are current as of the date listed on the cover.
Information is subject to change.

Your Primary Care Physician (PCP)

Your health care is important to us. We carefully screen and pick our doctors so you receive the best care. When you enroll, you will be assigned a Primary Care Physician (PCP). Your PCP is your personal care doctor. Your PCP will provide or arrange the covered services you need. Make sure you talk to your PCP about any health problems you have. That way, your PCP gets to know you and your medical history. Always follow your PCP's instructions and get approval before you get any medical services. If you are pregnant you may choose your Primary Care Obstetrician (PCO) as your primary physician, or you may choose a primary care practitioner such as a nurse practitioner, physician's assistant, or midwife. These maternity and family planning providers will ensure you get pre- and postpartum services.

Changing your PCP

Your PCP is an important part of your health care team. You and your PCP need to work together. If for any reason you want to change your PCP, call Member Services. If you change your PCP, you must choose another PCP from the UnitedHealthcare Community Plan Provider Directory. We can help you choose a new PCP or tell you more about the PCPs in our network. If you are pregnant, contact Healthy First Steps at **1-800-599-5985**. Member Services can send you a list of our providers at no cost to you. If your PCP does not speak your language, call Member Services. UnitedHealthcare Community Plan will provide you with an interpreter at no cost to you.

Seeing a specialist

Your PCP is in charge of **all** your covered health care needs. If you need specialty care, your PCP may refer you to a specialist or another doctor. Members may also request services without a referral and may choose a provider from UnitedHealthcare Community Plan's provider network.

Prior authorization

UnitedHealthcare Community Plan reviews the service request from you, your PCP, or your specialist. Your doctor will tell you if the service is approved. If the service has been denied, UnitedHealthcare Community Plan will send you a letter, called a Notice of Adverse Benefit Determination. You have a right to know the criteria that are used to make decisions. Normal authorization decisions will be made within 14 calendar days from the date the request is received.

Extensions of up to 14 calendar days can be received if it is in your best interest. For example, we may be waiting to receive your medical records from your doctor. Instead of making a decision without those records, we may ask you if it's okay to get more time to receive the records. That way, the decision can be made with the best information. We will send you a letter asking for the extension.

Expedited (rush) decisions in urgent, life-threatening situations should be made in no later than 72 hours following the receipt of the authorization request unless an extension is in effect. For more information, call Member Services on Notice of Adverse Benefit Determination letters and actions you can take.

If we deny a request, you will get a letter. If we need an extension, you will get a letter. The letter will tell you the reason for the extension or denial. It will tell you your appeal rights. Criteria that decisions are based on are available upon request.

If you have questions, contact Member Services at **1-800-348-4058**, TTY **711**.

Su Doctor de Atención Primaria (PCP)

Su salud es importante para nosotros. Nosotros investigamos y seleccionamos a nuestros doctores para que usted reciba los mejores cuidados de salud. Cuando usted se inscribe, se le asignará un Doctor de Atención Primaria (PCP). Su PCP es su doctor personal para darle los cuidados de salud. Su PCP le proveerá o hará los arreglos para proveerle de los cuidados con cobertura que usted necesita. Asegúrese de hablar con su PCP acerca de cualquier problema de salud que usted tenga. En esa forma, su PCP empezará a conocerle a usted y a su historia médica. Siga siempre las instrucciones de su PCP y obtenga la aprobación para recibir servicios médicos antes de obtenerlos. Si está embarazada, usted puede escoger al doctor Ginecólogo-obstetra de Atención Primaria (PCO) que le atiende y designarlo como su doctor principal, o puede elegir un proveedor de atención primaria, como una enfermera especializada, un asistente médico o una partera. Estos proveedores de planificación familiar y de maternidad se asegurarán de que reciba servicios antes y después del parto.

Para cambiar su PCP

Su PCP es una importante parte de su equipo para los cuidados de salud. Usted y su PCP deben trabajar en conjunto. Si hay una razón por la cual quiere cambiar de PCP, llame a Servicios para Miembros. Si usted cambia de PCP, debe escoger a otro PCP consultando el Directorio de Proveedores de UnitedHealthcare Community Plan. Nosotros podemos ayudarle a escoger a un nuevo PCP o podemos informarle con más detalles acerca de los PCP en nuestra red. Si usted está embarazada, contacte a Healthy First Steps (Primeros Pasos de Salud) al **1-800-599-5985**. Los Servicios para Miembros le pueden enviar gratuitamente la lista de proveedores. Si su PCP no habla su idioma, llame a Servicios para Miembros. UnitedHealthcare Community Plan le facilitará los servicios de un intérprete sin ningún costo para usted.

Para consultar con un especialista

Su PCP está a cargo de **todas** las necesidades acerca de los servicios para los cuidados de su salud. Si usted necesita de cuidados de salud especiales, su PCP puede referirle a un especialista o a otro doctor. Los miembros también pueden solicitar servicios sin una referencia y pueden elegir un proveedor de la red de proveedores de UnitedHealthcare Community Plan.

Autorización previa

UnitedHealthcare Community Plan revisa la solicitud de servicio de usted, su PCP o su especialista. Su médico le dirá si el servicio está aprobado. Si el servicio ha sido denegado, UnitedHealthcare Community Plan le enviará una carta, llamada Notificación de determinación adversa de beneficios. Tiene derecho a conocer los criterios que se utilizan para tomar decisiones. Las decisiones de autorización normales se tomarán dentro de los 14 días calendario a partir de la fecha en que se reciba la solicitud.

Se pueden recibir extensiones de hasta 14 días calendario si es lo mejor para usted. Por ejemplo, es posible que estemos esperando recibir sus registros médicos de su médico. En lugar de tomar una decisión sin esos registros, es posible que le preguntemos si está bien tener más tiempo para recibir los registros. De esa forma, la decisión se puede tomar con la mejor información. Le enviaremos una carta solicitando la extensión.

Las decisiones aceleradas (urgentes) en situaciones urgentes que ponen en peligro la vida deben tomarse dentro de las 72 horas siguientes a la recepción de la solicitud de autorización, a menos que haya una extensión en vigor. Para obtener más información, comuníquese con Servicios para Miembros sobre las cartas de Notificación de determinación adversa de beneficios y las acciones que puede tomar.

Si rechazamos una solicitud, recibirá una carta. Si necesitamos una extensión, recibirá una carta. La carta le informará el motivo de la extensión o del rechazo. Le informará sus derechos de apelación. Los criterios en los que se basan las decisiones están disponibles a pedido.

Si tiene preguntas, comuníquese con Servicios para Miembros al **1-800-348-4058**, TTY **711**.

La Comisión Conjunta (Joint Commission) es una entidad que acredita a los hospitales. Las siguientes calificaciones son posibles:

- **Acreditado:** El hospital estaba cumpliendo con todas las normas al momento de la revisión o dentro de un lapso de 90 días de la misma.
- **Acreditación preliminar:** El hospital aprobó un breve estudio de su cumplimiento de acuerdo con las normas de la Comisión Conjunta, y será revisado de manera más completa a la brevedad.
- **Acreditación condicional:** El hospital cumple con algunas de las normas, pero no todas, de la Comisión Conjunta, pero será revisado de manera más completa a la brevedad.
- **Acreditación provisional:** El hospital no pudo cumplir con todos los requisitos para mejorar sugeridos en la primera revisión dentro de un lapso de 45 días, o el hospital no pudo demostrar que fue capaz de mantener el cumplimiento.

La acreditación también puede ser otorgada por la Asociación Americana de Osteopatía (American Osteopathic Association, AOA), en cuyo caso en el listado se leerá: "Acreditación: AOA (acreditado)".

Toda la información que se encuentra en estas listas de proveedores depende de la solicitud de los proveedores. UnitedHealthcare verifica esta información en el momento en que los proveedores se unen a nuestra red y cada tres años (o menos) cuando el proveedor vuelve a ser acreditado.
