

# Updates to your Prescription Drug List (PDL)

## 2024 Individual & Family plans

### Effective as of September 1, 2024

When making changes to your PDL, we consider a medication's overall value, which is based on factors such as a medication's effectiveness, safety, cost and the availability of alternative medications to treat the same or similar medical condition.

## Prescription Drug List (PDL) updates effective as of September 1, 2024

**Medication:** Epclusa (all strengths)

**Description:** Epclusa is indicated for the treatment of chronic hepatitis C infection in treatment-naïve and experienced persons.
