

Free meter program

Helping you manage your diabetes

Diabetes may harm your eyes, kidneys, nerves, heart and blood vessels. The impact can be long-term. Regular blood glucose testing can help you manage your diabetes and may lead to better glucose control.¹

Take advantage of this great offer

To help you monitor blood sugar levels, your pharmacy benefit plan offers a free OneTouch®, CONTOUR®NEXT, or Accu-Chek® meter program.* With this program, you are able to get a blood glucose meter at no charge to you. You and your doctor can choose from a variety of meters. For more details, call customer service at the phone number on your benefit ID card, or contact the meter manufacturer at the numbers on the back page.

How to get your free meter

- 1 Discuss with your doctor and select the meter that is best for you.
- 2 Once you decide, follow the instructions on the next page. You can get your free meter at a retail pharmacy. For CONTOUR®NEXT products, you can also call the manufacturer directly.

*One free meter per member. Other restrictions may apply.

¹ Damage to kidneys and eyes may start before people are diagnosed with diabetes. National Institute for Health Research website. <https://evidence.nihr.ac.uk/alert/damage-to-kidneys-and-eyes-may-start-before-people-are-diagnosed-with-diabetes/> Access Sept. 26, 2024

continued

Don't delay. Talk with your doctor about choosing the appropriate meter for you.
